*Re: In the Matter of the Application of Carbon/Emery Telcom, Inc. for Increase in Utah
Universal Service Support
Docket No. 15-2302-01 – Carbon/Emery Telcom’s Petition for Review and Clarification; and
Motion to Vacate Hearing*

Dear Mr. Widerburg:

Yesterday, I engaged Salt City Couriers to deliver the original and 2 copies of Carbon/Emery Telcom, Inc.’s Petition for Review and Clarification and Motion to Vacate the Hearing to the Public Service Commission. The courier service inadvertently delivered the documents to the Division of Occupational and Professional Licensing, which I was alerted to this morning when I received the date stamped copies back and the date stamps showed “Division of Occupational and Professional Licensing.” I was able to track down the documents at DOPL and they have been delivered to the Public Service Commission. However, it would appear that the Original Motion to Vacate was not delivered. Therefore, please find an original Motion to Vacate. You should now have an original and 2 copies of each.

I am also enclosing another copy of each of the Motion to Vacate and the Petition for Review to be date stamped and returned to my office. Electronic versions of these documents were emailed to the Public Service Commission and the parties per the service list yesterday. I will email a copy of this letter to the parties and the Public Service Commission as well. If you have any questions concerning the above, please feel free to contact me at your convenience.

Very truly yours,

BLACKBURN & STOLL, LC
