Re: In the Matter of the Application of LSSi Data Corporation to Voluntarily Surrender its Certificate of Public Convenience and Necessity Docket No. 15-2458-01.

RECOMMENDATION (Approval):

The Division of Public Utilities (“Division”) has reviewed the request by LSSi Data Corporation to have their Certificate of Public Convenience and Necessity to provide Local Exchange Services in the State of Utah cancelled and recommends the Public Service Commission (“Commission”) grant this request.

EXPLANATION:

On or about July 02, 2015, LSSi Data Corporation (“LSSi”) filed with the Commission a request to have their Certificate of Public Convenience and Necessity cancelled. The Division has reviewed this request and found the following:

LSSi was issued a certificate to provide telecommunications services in Utah on July 12, 2005 in Docket No. 05-2458-01. LSSi currently has no customer base in Utah.

It appears they have complied with the rules for exiting as required under Administrative Rule R746-350.
