**Date:** September 30, 2015

**Re:** In the Matter of Telrite Corporation d/b/a Life Wireless' Notice of Increased Minutes per Docket No. 15-2553-01.

---

**RECOMMENDATION:**

The Commission should acknowledge the proposed changes in minutes to Telrite Corporation d/b/a Life Wireless' ("Telrite") Lifeline offerings in the State of Utah.

**BACKGROUND:**

On September 23, 2015 Telrite filed with the Commission notification of changes to their existing lifeline program. As contemplated in the Commission's order in Docket No. 12-2553-01, Telrite must file notification when changes are being made to the existing offerings. .

The Commission should acknowledge receipt of the notification and allow the effective date to be September 23, 2015 as indicated by Telrite. Additionally, as requested in the Action Request from the Commission, notice and acknowledgement by the Commission of the changes to an ETC's wireless plans should be sufficient for any similar cases in the future.
