Re: **X5 OpCo LLC – Application for a Certificate of Public Convenience and Necessity to Provide Certain Telecommunications Services in the State of Utah**

Dear Sir or Madam:

On behalf of X5 OpCo LLC, attached for submission to the Utah Public Service Commission are an original and two (2) copies of the Application of X5 OpCo LLC for a Certificate of Public Convenience and Necessity to Provide Certain Telecommunications Services in the State of Utah. A check in the amount of \$100.00 is enclosed to cover the filing fee.

Please note that the financial statements attached to the certificate application as **Exhibit 6** are confidential. **Exhibit 6** has been prepared in compliance with Utah Administrative Code R746-100-16. As such, the financial statements are copied on yellow paper and marked “**CONFIDENTIAL – SUBJECT TO UTAH PUBLIC SERVICE COMMISSION RULE 746-100-16**”. X5 OpCo LLC therefore requests that the Commission treat the exhibit as confidential and withhold it from public inspection.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

If you have questions concerning this matter, please contact the undersigned.

Respectfully Submitted,

/s/ Thomas J. Navin
