CONDITIONS

The above rates apply to the provision of network access lines which, when connected to a suitable telephone instrument, provides access to the telephone network.

Instruments must be provided by the subscriber, subject to the conditions described in the Connection With Subscriber-Owned Equipment portion of this tariff.

Additional instruments may be attached to network access line. The Company reserves the right to limit the number of instruments connected to an access line if they cause interference with the normal operation of the line.

Tone Dial Service is provided only where the facilities are available.
