Re: Utah Docket No. 16-046-T03, In the Matter of the Petition of Manti Telephone Co., to revise its tariff sheet to clarify that Business (B-1) Access Line Service is subject to the UUSF Surcharge.

ISSUE:

Manti Telephone Company (Manti) is filing revisions to its Network Access Line Service Tariff PSC Utah No. 4 which clarifies that Business (B-1) Access Line Service is subject to the UUSF Surcharge

Manti's previous Advice Letter filing (Docket No.15-046-T02, filed June 15, 2016) inadvertently failed to show the UUSF surcharge as it applies to B-1 service.

RECOMMENDATION:

Since the requested business rate clarification does not change the business rate and is in compliance with the proposed Utah Affordable Base Rate Notice, the Division recommends that the Commission approve the new updated tariff sheet for Docket No. 16-046-T03 to become effective June 1, 2016 as requested by Manti to be consistent with the residential local rate increase in previous Docket No. 16-046-T02.
