**Re: Utah Docket No. 16-050-T02, TARIFF:** Navajo Communications Company filing to introduce a variety of Operator Assisted Services for Business and Residential customers.

**ISSUE:**

Navajo submitted a filing dated October 19, 2016 to update its tariff by introducing a variety of Operator Assisted Services for Business and Residential customers.

**RECOMMENDATION: Approve tariff filing.**

The DPU reviewed this filing and has no objection to Navajo introducing new Operator Assisted Services for Business and Residential customers, since these changes do not affect basic rates and do not require a rate hearing. The Division therefore recommends that it become effective November 20, 2016 as requested.
