Dear Commissioners:

Attached for your notification are revisions to the CenturyLink Communications, LLC ("CLC") Price List No. 1. Also, an Original and 3 paper copies are being sent to you.

CenturyLink changed its interstate Access Line Charge to Long Distance Line Charge for business customers, and increased the monthly rate from \$2.99 to \$3.99. The Long Distance Line Charge will apply to both single-line and multi-line business customers. Customer notification was provided 30 days in advance via bill message in the customer's April/May bills. In addition to the bill message, a direct mail letter was sent to notify single-line business customers that they no longer qualify for a waiver of the charge.

This filing changes the interstate long distance Access Line Charge that so that the charge appears ubiquitously in both the CenturyLink Communications, LLC Interstate Rates and Services Schedule and the CenturyLink Communications, LLC ("CLC") Utah Price List No. 1. The Company respectfully requests that the proposed changes outlined above become effective retroactive to May 15, 2016, as notification to the Public Service Commission of Utah was an oversight on our part. If you have any questions regarding this filing, please contact Sharon Alvarado at 303-992-5836.

Respectfully submitted,

Marla Hazlett
