This matter is before the Public Service Commission of Utah (Commission) on a joint application filed by Communications Infrastructure Investments, LLC; Onvoy, LLC; Broadvox-CLEC, LLC; and GTCR Onvoy Holdings, LLC (the Applicants). In brief, the Applicants request Commission approval of a transaction that will give GTCR Onvoy Holdings, LLC (Onvoy) approximately 61% ownership of the companies.

On February 11, 2016, in response to a Commission action request, the Division of Public Utilities (Division) recommended that the application be approved. In recommending approval, the Division stated:

The Applicants expect that the transaction will enable the combined entities to better meet the needs of enterprises, wholesale buyers, and other customers. The transaction will help create a stronger competitor by bringing together each organization's respective strengths.

At hearing, the joint application and the Division's written comments were entered into the record, as were the following exhibits:

- **Applicants' Supplemental Exhibit 1**: Domestic and International Section 214 Application to the Federal Communications Commission ("FCC") for approval of the transfer of control of Onvoy, LLC and Broadvox-CLEC, LLC to GTCR Onvoy Holdings, LLC.

- **Applicants' Supplemental Exhibit 2**: Public Notice from the FCC dated February 5, 2016, establishing a streamlined pleading cycle for the Domestic Section 214 Application for authority to transfer control of Onvoy and Broadvox-CLEC to GTCR Onvoy Holdings.

- **Applicants' Supplemental Exhibit 3**: Public Notice from the FCC dated February 12, 2016, establishing a streamlined pleading cycle for the International Section 214 Application for authority to transfer control of Onvoy and Broadvox-CLEC to GTCR Onvoy Holdings.

- **Applicants' Supplemental Exhibit 4**: State of Delaware Public Service Commission Memorandum, dated January 27, 2016, noting that Commission approval is not required for this transaction.

- **Applicants' Supplemental Exhibit 5**: Acknowledgement of the filing from the Georgia Public Service Commission, dated January 27, 2016, and notice that no future Commission action is required.

Ms. Buley testified that there has been no opposition to the Applicants' petition with the FCC for approval of the proposed transaction. Ms. Buley further testified that the Applicants have filed parallel dockets in other states; that the joint applications filed in Colorado, Maryland, Minnesota, and Ohio have been approved; and that Broadvox-CLEC, LLC has been required to file reports and pay fees in Louisiana, but that, otherwise, no state regulatory body or other interested person has objected to the proposed transfer of control.

Mr. Slusher testified on behalf of the Division that the transactions described in the application appear to be in the public interest. No one appeared at the hearing to object to the application.

If no objection to the proposed transaction is submitted in any filed comments or reply comments, the Commission will presume that approval of the transaction is in the public interest and use the information contained in the application and accompanying documents as evidence to support a Commission order.

There is no objection to the granting of the application. Therefore, under Utah Admin. Code R746-349-7(A)(3) and in light of the comments and testimony of record, the Commission presumes the application to be in the public interest.

ORDER

Given the foregoing, the Commission approves the joint application of Communications Infrastructure Investments, LLC; Onvoy, LLC; Broadvox-CLEC, LLC; and GTCR Onvoy Holdings, LLC. The Commission orders the Applicants to notify the Commission upon completing any transaction that would necessitate amendment to, or cancelation of, an affected Certificate of Public Convenience and Necessity.

DATED at Salt Lake City, Utah, February 25, 2016.
