Dear Mr. Widerburg,

Please accept the attached response submitted on behalf of Spectrotel, Inc. clarifying **that it is not** the intention of Spectrotel, Inc. to discontinue its authority in Utah.

The Company had filed an Application with FCC that to discontinue certain operator assisted services and as required by FCC Rules, we served a copy of this Application to each state Commission where Spectrotel operates. Unfortunately this created some confusion.

Please contact me if you have any additional questions.

Thank you.
