1. PREFACE

1.1 Application of Price List

This Price List sets forth rates and rules applicable to the provision and resale of Business Local Exchange Telecommunications Services defined herein by Teleport Communications America, LLC, hereinafter referred to as the "Company". Local Exchange Services are furnished for the use of end users in placing and/or receiving local telephone calls within the Local Service Area.

The rates and rules contained herein are subject to change pursuant to the rules and regulations of the Public Service Commission (PSC) of Utah.

Each service is offered independent of the others unless otherwise noted. Service is offered via the Company's facilities or in combination with resold exchange services, IntraLATA services or transmission facilities provided by other certificated carriers.

When services and facilities are provided by the Company are used to obtain access to the regulated or unregulated services provided by another company or are used by another company as a part of the regulated or unregulated services offered by that Company, the regulations of the Company apply only to the use of the Company's services and facilities.

Services under this Price List will be offered and billed under the name of the Teleport Communications Group Operating Company serving the customers location, or under the name of a subsidiary or affiliate, including, but not limited to AT&T Corp., AT&T Communications and any AT&T affiliates authorized to provide AT&T services prior to November 17, 2005. Services may be offered singly or in bundles with services offered by Teleport Communications or their affiliates.

6. SUPPLEMENTAL SERVICES

6.2 Directory Assistance Service

6.2.1 General

Customers and Users of the Company's End User Network Access Services may obtain directory assistance in determining and obtaining telephone numbers within the Number Plan Area (NPA) in which they subscribe to such service by calling the Directory Assistance operator. The NPA is defined as the 606 area code.

6.2.2 Application of Rates

Directory Assistance charges apply for all requests for which the Company's facilities are used. Each number requested is charged as shown below. Requests for information other than telephone numbers will be charged the same rate as shown for the applicable request for telephone numbers.

A Directory Assistance call charged to a calling card or commercial calling card will be billed the appropriate operator charge, plus the charge for Directory Assistance.

(D)

No charge applies for:

- (1) Calls for Directory Assistance originating from coin telephones.
- (2) Calls for Directory Assistance from Users who have requested exemption for the Directory Assistance Charge because they are unable to use telephone directories due to physical or mental limitations. To obtain such exemption, the Customer shall provide the name, address, telephone number and nature of the limitation for each individual requiring the exemption. Information contained on the exemption records shall be treated as confidential by the Company. The Customer shall notify the Company when the need for an exemption no longer exists.

9. PRIMEONE LOCAL AND PRIMEPLUS INTRALATA TOLL SERVICES

9.1 LATA Calling Services

9.1.1 Description

LATA Calling Services allow for the origination and termination of calls within local and toll calling areas from listed exchanges. Local and Toll calling plans are marketed under the brand names of PrimeOne and PrimePlus services respectively, and are provided in conjunction with connection to the Company's network via the access lines listed:

- PrimePath Business Line
- PrimeXpress Network Service
- PrimeNBX Service
- PrimeConnect Option
- PrimePlex PRI Service
- Prime Digital Trunk
- PrimePath Easy Rate

9.1.2 Timing of Messages

A. Unless otherwise indicated, all calls are timed in 6 (six) second increments following the first 18 (eighteen) seconds.

B. For station to station calls, call timing begins when a connection is established between the calling telephone and the called telephone station.

(D)  
|  
(D)

C. Call timing ends when the calling station "hangs up," thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.

(T)

D. Calls originating in one time period and terminating in another will be billed the rates in effect at the beginning of six second increments.
