Re: Boomerang Wireless, LLC d/b/a enTouch Wireless;
Docket No. 17-2590-01

Dear Mr. Widerburg:

This letter is to notify the Commission that effective December 1, 2020, Boomerang Wireless, LLC d/b/a enTouch Wireless Lifeline plans were compliant with federal and state Eligible Telecommunications Carrier regulations, and has recently implemented updates to the existing Lifeline plans and additional options. The updated Lifeline plans are as follows:

Minimum Standard Non-Tribal (Free) Plan: effective 1/12/2020

1000 Bundled Voice Plan: This plan offers 1000 voice minutes, 500 text units, and 100 MB of broadband data. Data is 3G/4G/LTE based on network availability and device capability. Broadband data top ups may be purchased from the Company at the rate of \$5.00 for ½ GIG (500 MB) or \$10.00 for 1 GIG of 3G/4G/LTE broadband data. Customer provides their own device as plan does not include a device. Lifeline minutes, texts and data are automatically posted each month on the Lifeline customer's service date. There is no rollover of minutes, texts, or data, and any unused minutes, texts, or data will expire on the next month's monthly service date. Services are for personal use only. All usage is subject to the Acceptable Use Policy. See Terms of Service at www.enTouchwireless.com. (Bundled Voice Plan)

Effective January 12, 2021, Boomerang is also offering customers several optional plan upgrades with minimal copays including certain added features: unlimited texts (\$1.00 copay); 1200 minutes, unlimited texts and 250 MB data (\$5.00 copay); 1200 voice, unlimited texts and 1 GB data (\$10.00 copay); unlimited talk and text plus 4.5 GB data (\$25.00 copay); unlimited talk and text plus 5 GB data (\$26.00 copay); or unlimited talk and text plus 6 GB data (\$30.00 copay).
