**WHEREAS, CLEC desires to purchase from CenturyLink certain combinations of Network Elements, ancillary functions, and additional features, including without limitation, the local Loop, Port, switching, and Shared Transport.**

Now, therefore, in consideration of the terms and conditions contained herein, CenturyLink and CLEC mutually agree as follows:

**1. Definitions.** Capitalized terms used herein are defined in Attachment 1.

**2. Effective Date.** These Agreements are effective upon the date it is fully executed by all Parties ("Effective Date"). The Agreement may not be implemented until the associated Interconnection Agreements are effective and the applicable preorder information is completed.

**3. Term.** The term of this Agreement begins on the Effective Date and continues through December 31, 2019. Upon expiration, this Agreement will continue on a month-to-month basis until it is terminated by either Party, with at least ninety (90) Days prior written notice, pursuant to Section 22 of the Agreement, or replaced by a successor agreement.

**4. Scope of Agreement; Service Provisioning; Controlling Documents; Change of Law; Eligibility for Services under this Agreement; Non-Applicability of Change Management Process.**

4.1 The Services ("Services") described in this Agreement will only be provided in CenturyLink's incumbent LEC service territory in the states of Arizona, Colorado, Idaho, Iowa, Minnesota, Montana, Nebraska, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming.

4.2 In the event of a conflict in any term of any documents that govern the provision of Services hereunder, the following order of precedence will apply in descending order of control: an Attachment, Rate Sheet, this Agreement, and any effective Order Form hereunder. The Parties agree that the Services offered and purchased under this Agreement are subject to compliance with Applicable Law and obtaining any domestic or foreign approvals and authorizations required or advisable.

4.3 The provisions in this Agreement are intended to be in compliance with and based on the existing state of Applicable Law, including but not limited to Federal rules, regulations, and laws, as of the Effective Date ("Existing Rules"). Nothing in this Agreement shall be deemed an admission by CenturyLink or CLEC concerning the interpretation or effect of the Existing Rules or an admission by CenturyLink or CLEC that the Existing Rules should not be changed, vacated, dismissed, stayed or modified. Nothing in this Agreement shall preclude or estop CenturyLink or CLEC from taking any position in any forum concerning the proper interpretation or effect of the Existing Rules or concerning whether the Existing Rules should be changed, vacated, dismissed, stayed or modified.

4.4 If any change in Applicable Law materially impairs a Party's ability to perform or obtain a benefit under this Agreement, both Parties agree to negotiate in good faith such changes as may be necessary to address such material impairment.

4.5 To receive services under this Agreement, CLEC must be a certified CLEC under Applicable Law. CLEC may not purchase or utilize Services covered under this Agreement for its own administrative use or for the use by an Affiliate.

4.6 Except as otherwise provided in this Agreement, the Parties agree that Services provided under this Agreement are not subject to the CenturyLink Wholesale Change Management Process (CMP), CenturyLink QC Performance Indicator Definitions (PID), CenturyLink QC Performance Assurance Plan (PAP), or any other wholesale service quality standards, or liquidated damages and remedies.

Except as otherwise provided, CLEC hereby waives any rights it may have under the PID, PAP and all other wholesale service quality standards to liquidated damages, and remedies with respect to Services provided pursuant to this Agreement. Any CLEC-proposed changes to the attributes of any Service or process enhancements will be communicated through the standard account interfaces. Change requests common to shared systems and processes subject to CMP will continue to be addressed via the CMP procedures.

**5. CLEC Information.** CLEC agrees to work with CenturyLink in good faith to promptly complete or update, as applicable, CenturyLink's "New Customer Questionnaire" to the extent that CLEC has not already done so, and CLEC shall hold CenturyLink harmless for any damages to or claims from CLEC caused by CLEC's failure to promptly complete or update the questionnaire.

**6. Financial Terms.**

6.1 The description of the Service and applicable rates are set forth in the Attachments hereto and Rate Sheets. The Parties agree that the referenced rates are just and reasonable.

**6.2 Taxes, Fees, and other Governmental Impositions.** All charges for Services provided herein are exclusive of any federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges ("Tax" or "Taxes"). Taxes resulting from the performance of this Agreement shall be borne by the Party upon which the obligation for payment is imposed under Applicable Law, even if the obligation to collect and remit such Taxes is placed upon the other Party. However, where the selling Party is specifically permitted by Applicable Law to collect such Taxes from the purchasing Party, such Taxes shall be borne by the Party purchasing the services. Taxes shall be billed as a separate item on the invoice in accordance with Applicable Law. The Party billing such Taxes shall, at the written request of the Party being billed, provide the billed Party with detailed information regarding billed Taxes, including the applicable Tax jurisdiction, rate, and base upon which the Tax is applied. If either Party (the Contesting Party) contests the application of any Tax collected by the other Party (the Collecting Party), the Collecting Party shall reasonably cooperate in good faith with the Contesting Party's challenge, provided that the Contesting Party pays all reasonable costs incurred by the Collecting Party. The Contesting Party is entitled to the benefit of any refund or recovery resulting from the contest, provided that the Contesting Party has paid the Tax contested. If the purchasing Party provides the selling Party with a resale or other exemption certificate, the selling Party shall exempt the purchasing Party if the selling Party accepts the certificate in good faith. If a Party becomes aware that any Tax is incorrectly or erroneously collected by that Party from the other Party or paid by the other Party to that Party, the Party that received such Tax shall refund the incorrectly or erroneously collected Tax or paid Tax to the other Party.

6.3 Each Party is solely responsible for any tax on its corporate existence, status or income and each Party shall be solely responsible for all taxes on its own business, the measure of which is its own net income or net worth and shall be responsible for any related tax filings, payment, protest, audit and litigation. Each Party shall be solely responsible for the billing, collection and proper remittance of all applicable Taxes relating to its own services provided to its own Customers.

**7. Intellectual Property.**

7.1 Except for a license to use any facilities or equipment (including software) solely for the purposes of this Agreement or to receive Service solely as provided in this Agreement or as specifically required by the then-applicable federal rules and regulations relating to Services provided under this Agreement, nothing contained in this Agreement shall be construed as the grant of a license, either express or implied, with respect to any patent, copyright, trade name, trademark, service mark, trade secret, or other proprietary interest or intellectual property, now or hereafter owned, controlled or licensable by either Party. Neither Party may use any patent, copyright, trade name, trademark, service mark, trade secret, nor other proprietary interest or intellectual property, now or hereafter owned, controlled or licensable by either Party without execution of a separate written agreement between the Parties.

7.2 Subject to the general Indemnity provisions of this Agreement, each Party (an Indemnifying Party) shall indemnify and hold the other Party (an Indemnified Party) harmless from and against any loss, cost, expense or liability arising out of a claim that the services provided by the Indemnifying Party provided or used pursuant to the terms of this Agreement misappropriate or otherwise violate the intellectual property rights of any third party. The obligation for indemnification recited in this paragraph shall not extend to infringement which results from:

A. any combination of the facilities or services of the Indemnifying Party with facilities or services of any other Person (including the Indemnified Party but excluding the Indemnifying Party and any of its Affiliates), which combination is not made by or at the direction of the Indemnifying Party or is not reasonably necessary to CLEC's use of the Services offered by CenturyLink under this Agreement; or

B. any modification made to the facilities or services of the Indemnifying Party by, on behalf of, or at the request of the Indemnified Party and not required by the Indemnifying Party.

7.3 In the event of any claim, the Indemnifying Party may, at its sole option, obtain the right for the Indemnified Party to continue to use any infringing facility or service or replace or modify any infringing facility or service to make such facility or service non-infringing.

7.4 If the Indemnifying Party is not reasonably able to obtain the right for continued use or to replace or modify the facility or service as provided above and either the facility or service is held to be infringing by a court of competent jurisdiction or the Indemnifying Party reasonably believes that the facility or service will be held to infringe, the Indemnifying Party will notify the Indemnified Party and the Parties will negotiate in good faith regarding reasonable modifications to this Agreement necessary to mitigate damage or comply with an injunction which may result from such infringement or allow cessation of further infringement.

7.5 The Indemnifying Party may request that the Indemnified Party take steps to mitigate damages resulting from the infringement or alleged infringement including, but not limited to, accepting modifications to the facilities or services, and such request shall not be unreasonably denied.

7.6 To the extent required under Applicable Law, CenturyLink shall use commercially reasonable efforts to obtain, from its vendors who have licensed intellectual property rights to CenturyLink in connection with Services provided hereunder, licenses under such intellectual property rights as necessary for CLEC to use such Services as contemplated hereunder and at least in the same manner used by CenturyLink for the Services provided hereunder. CenturyLink shall notify CLEC immediately in the event that CenturyLink believes it has used its commercially reasonable efforts to obtain such rights, but has

been unsuccessful in obtaining such rights. Nothing in this subsection shall be construed in any way to condition, limit, or alter a Party's indemnification obligations under Section 7.2, preceding.

7.7. Neither Party shall without the express written permission of the other Party, state or imply that it is connected, or in any way affiliated with the other or its Affiliates; it is part of a joint business association or any similar arrangement with the other or its Affiliates; the other Party and its Affiliates are in any way sponsoring, endorsing or certifying it and its goods and services; or with respect to its marketing, advertising or promotional activities or materials, state or imply that the services are in any way associated with or originated from the other Party or any of its Affiliates. In addition, CLEC, including its employees, representatives and agents, will not state or otherwise indicate, directly or indirectly, to its end-users or prospective end-users: (a) that they will be CenturyLink customers or that they may obtain CenturyLink service from CLEC or (b) that CLEC has or the end-user will have any relationship with CenturyLink. Without limiting the foregoing, CLEC must not use a name, trademark, service mark, copyright or any other intellectual property owned by CenturyLink or its Affiliates, except that CLEC may communicate that CenturyLink is one of the underlying carriers from which CLEC purchases services if CLEC has obtained the prior written consent of the CenturyLink Law Department. This is a non-exclusive agreement. Nothing in this Agreement prevents CenturyLink from offering to sell or selling any services to other parties.

7.8 Nothing in this Section prevents either Party from truthfully describing the Services it uses to provide service to its End User Customers, provided it does not represent the Services as originating from the other Party or its Affiliates or otherwise attempt to sell its End User Customers using the name of the other Party or its Affiliates. CenturyLink's name and the names of its affiliates are proprietary and nothing in this Agreement constitutes a license authorizing their use, and in no event will CLEC, including its employees, representatives and agents, attempt to sell any Services to its end-users using the name, brand or identity of CenturyLink or CenturyLink's Affiliates in any way.

7.9 Because a breach of the material provisions of this Section 7 may cause irreparable harm for which monetary damages may be inadequate, in addition to other available remedies, the non-breaching Party may seek injunctive relief.

## **8. Financial Responsibility, Payment and Security.**

8.1 **Payment Obligation.** Amounts payable under this Agreement are due and payable within thirty (30) Days after the date of invoice ("Payment Due Date"). If the Payment Due Date falls on a Sunday or on a holiday which is observed on a Monday, the payment date will be the first non-holiday day following such Sunday or holiday. If such a payment date falls on a Saturday or on a holiday which is observed on Tuesday, Wednesday, Thursday or Friday, the payment date shall be the last non-holiday day preceding such Saturday or holiday. For invoices distributed electronically, the date of the invoice date is the same as if the invoice were billed on paper, not the date the electronic delivery occurs. If CLEC fails to make payment on or before the Payment Due Date, CenturyLink may invoke all available rights and remedies.

8.2 **Cessation of Order Processing.** CenturyLink may discontinue processing orders for Services for any breach by CLEC of this Agreement, including without limitation, the failure of CLEC to make full payment for Services, less any good faith disputed amount as provided for in this Agreement, within thirty (30) Days following the Payment Due Date; provided that CenturyLink has first notified CLEC in writing at least ten (10) business days prior to discontinuing the processing of orders for Services. If CenturyLink does not refuse to accept additional orders for Services on the date specified in the ten (10) business days notice, and CLEC's non-compliance continues,

nothing contained herein shall preclude CenturyLink's right to refuse to accept additional orders for Services from CLEC without further notice. For order processing to resume, CLEC will be required to cure any breach and make full payment of all past-due charges for Services not disputed in good faith under this Agreement, and CenturyLink may require a deposit (or recalculate the deposit) pursuant to Section 8.5. In addition to other remedies that may be available at law or equity, CenturyLink reserves the right to seek equitable relief including injunctive relief and specific performance.

**8.3 Disconnection.** CenturyLink may disconnect any Services provided under this Agreement for any breach by CLEC of this Agreement that is not cured by CLEC in accordance with Section 11 herein, including without limitation, failure by CLEC to make full payment for such Services, less any good faith disputed amount as provided for in this Agreement, within sixty (60) Days following the Payment Due Date provided that CenturyLink has first notified CLEC in writing at least ten (10) business days prior to disconnecting Services. CLEC will pay the applicable charge set forth in the Rate Sheet required to reconnect Services for each End User Customer disconnected pursuant to this Section 8.3. In case of such disconnection, all applicable undisputed charges, including termination charges, will become due and payable. If CenturyLink does not disconnect CLEC's Service on the date specified in the ten (10) business days notice, and CLEC's noncompliance continues, nothing contained herein shall preclude CenturyLink's right to disconnect any or all Services. For reconnection of the Service to occur, CLEC will be required to make full payment of all past and current undisputed charges under this Agreement for Services and CenturyLink may require a deposit (or recalculate the deposit) pursuant to Section 8.5. In addition to other remedies that may be available at law or equity, CenturyLink reserves the right to seek equitable relief, including injunctive relief and specific performance. Notwithstanding the foregoing, CenturyLink will not effect a disconnection pursuant to this Section 8.3 in such manner that CLEC may not reasonably comply with Applicable Law concerning End User Customer disconnection and notification, provided that, the foregoing is subject to CLEC's reasonable diligence in effecting such compliance.

**8.4 Billing Disputes.** Should CLEC dispute, in good faith, and withhold payment on any portion of the charges under this Agreement, CLEC will notify CenturyLink in writing within fifteen (15) Days following the Payment Due Date identifying the amount, reason and rationale of such dispute. At a minimum, CLEC will pay all undisputed amounts due to CenturyLink. Both CLEC and CenturyLink agree to expedite the investigation of any disputed amounts, promptly provide reasonably requested documentation regarding the amount disputed, and work in good faith in an effort to resolve and settle the dispute through informal means prior to invoking any other rights or remedies.

A. If CLEC disputes charges and does not pay such charges by the Payment Due Date, such charges may be subject to late payment charges. If the disputed charges have been withheld and the dispute is resolved in favor of CenturyLink, CLEC will pay the disputed amount and applicable late payment charges no later than the next Bill Date following the resolution. CLEC may not continue to withhold the disputed amount following the initial resolution while pursuing further dispute resolution. If the disputed charges have been withheld and the dispute is resolved in favor of CLEC, CenturyLink will credit CLEC's bill for the amount of the disputed charges and any late payment charges that have been assessed no later than the second Bill Date after the resolution of the dispute.

B. If CLEC pays the disputed charges and the dispute is resolved in favor of CenturyLink, no further action is required. If CLEC pays the charges disputed at the time of payment or at any time thereafter, and the dispute is resolved in favor of the CLEC, CenturyLink will adjust the Billing, usually within two Billing cycles

after the resolution of the dispute, as follows: CenturyLink will credit the CLEC's bill for the disputed amount and any associated interest; or if the disputed amount is greater than the bill to be credited, pay the remaining amount to CLEC.

C. The interest calculated on the disputed amounts will be the same rate as late payment charges. In no event, however, will any late payment charges be assessed on any previously assessed late payment charges.

D. If CLEC fails to dispute a rate or charge within 60 Days following the invoice date on which the rate or charge appeared, adjustment will be made on a going-forward basis only, beginning with the date of the dispute.

**8.5 Security Deposits.** In the event of a material adverse change in CLEC's financial condition subsequent to the Effective Date of this Agreement, CenturyLink may request a security deposit. A "material adverse change in financial condition" means CLEC is a new CLEC with no established credit history, or is a CLEC that has not established satisfactory credit with CenturyLink, or the Party is repeatedly delinquent in making its payments, or is being reconnected after a disconnection of Service or discontinuance of the processing of orders by CenturyLink due to a previous failure to pay undisputed charges in a timely manner or due to the failure by CLEC to cure a breach of this Agreement in a timely manner. CenturyLink may require a deposit to be held as security for the payment of charges before the orders from CLEC will be provisioned and completed or before reconnection of Service. "Repeatedly Delinquent" means any payment of a material amount of total monthly Billing under this Agreement received after the Payment Due Date, three (3) or more times during the last twelve (12) month period. The deposit may not exceed the estimated total monthly charges for a two (2) month period based upon recent Billing. The deposit may be an irrevocable bank letter of credit, a letter of credit with terms and conditions acceptable to CenturyLink, or some other form of mutually acceptable security such as a cash deposit. The deposit may be adjusted by CLEC's actual monthly average charges, payment history under this Agreement, or other relevant factors, but in no event will the security deposit exceed five million dollars (\$5,000,000.00). Required deposits are due and payable within thirty (30) Days after demand and non-payment is subject to the terms and provisions of Section 8.2 and Section 8.3 of this Agreement.

**8.6 Interest on Deposits.** Any interest earned on cash deposits will be credited to CLEC in the amount actually earned or at the rate set forth in Section 8.7 below, whichever is lower, except as otherwise required by law, provided that, for elimination of doubt, the Parties agree that such deposits are not subject to state laws or regulations relating to consumer or End User Customer cash deposits. Cash deposits and accrued interest, if applicable, will be credited to CLEC's account or refunded, as appropriate, upon the earlier of the expiration of the term of this Agreement or the establishment of satisfactory credit with CenturyLink, which will generally be one full year of consecutive timely payments of undisputed amounts in full by CLEC. Upon a material change in financial standing, CLEC may request, and CenturyLink will consider, a recalculation of the deposit. The fact that a deposit has been made does not relieve CLEC from any requirements of this Agreement.

**8.7 Late Payment Charge.** If any portion of the payment is received by CenturyLink after the Payment Due Date, or if any portion of the payment is received by CenturyLink in funds that are not immediately available, then a late payment charge will be due to CenturyLink. The late payment charge is the portion of the payment not received by the Payment Due Date multiplied by a late factor. The late factor is the lesser of (i) the highest interest rate (in decimal value) which may be levied by law for commercial transactions, compounded

daily for the number of Days from the Payment Due Date to and including the date that the CLEC actually makes the payment to CenturyLink; or (ii) 0.000407 per Day, compounded daily for the number of Days from the Payment Due Date to and including the date that the CLEC actually makes the payment to CenturyLink.

**9. Conversions.** If CLEC is obtaining services from CenturyLink under an arrangement or agreement that includes the application of termination liability assessment (TLA) or minimum period charges, and if CLEC wishes to convert such services to a Service under this Agreement, the conversion of such services will not be delayed due to the applicability of TLA or minimum period charges. The applicability of such charges is governed by the terms of the original agreement, Tariff or arrangement. Nothing herein will be construed as expanding the rights otherwise granted by this Agreement or by law to elect to make such conversions.

**10. Customer Contacts.** CLEC, or CLEC's authorized agent, are the single point of contact for its End User Customers' service needs, including without limitation, sales, service design, order taking, Provisioning, change orders, training, maintenance, trouble reports, repair, post-sale servicing, Billing, collection and inquiry. CLEC will inform its End User Customers that they are End User Customers of CLEC. CLEC's End User Customers contacting CenturyLink will be instructed to contact CLEC, and CenturyLink's End User Customers contacting CLEC will be instructed to contact CenturyLink. In responding to calls, neither Party will make disparaging remarks about the other Party. To the extent the correct provider can be determined, misdirected calls received by either Party will be referred to the proper provider of Local Exchange Service; however, nothing in this Agreement shall be deemed to prohibit CenturyLink or CLEC from discussing its products and services with CLEC's or CenturyLink's End User Customers who call the other Party.

10.1 In the event CenturyLink terminates Service to CLEC for any reason, CLEC will provide any and all necessary notice to its End User Customers of the termination. In no case will CenturyLink be responsible for providing such notice to CLEC's End User Customers.

**11. Default and Breach.** If either Party defaults in the payment of any amount due hereunder, or if either Party violates any other material provision of this Agreement and such default or violation continues for thirty (30) Days after written notice thereof, the other Party may terminate this Agreement and seek relief in accordance with any remedy available under this Agreement, including without limitation, the Dispute Resolution provisions of Section 25 herein and, in addition to the foregoing, CenturyLink may cease to accept orders from CLEC for Services in accordance with Section 8.2 above. The remedies available to each Party pursuant to this Agreement are not to be considered exclusive of one another and will be cumulative.

**12. Limitation of Liability.**

12.1 CLEC's exclusive remedies for claims under this Agreement are limited to CLEC's proven direct damages unless CLEC's damages are otherwise limited by this Agreement to outage credits or other service credits, in which case CenturyLink's total liability will not exceed the aggregate amount of any applicable credits due.

12.2 Except for indemnification and payment obligations under this Agreement, neither Party shall be liable to the other for indirect, incidental, consequential, exemplary, punitive, or special damages, including, without limitation, damages for lost profits, lost revenues, lost savings suffered by the other Party regardless of the form of action, whether in contract, warranty, strict liability, tort, including, without limitation, negligence of any kind and regardless of whether the Parties know the possibility that such damages could result.

12.3 Nothing contained in this Section shall limit either Party's liability to the other for willful misconduct, provided that, a Party's liability to the other Party pursuant to the foregoing exclusion, other than direct damages, will be limited to a total cap equal to one hundred per cent (100%) of the annualized run rate of total amounts charged by CenturyLink to CLEC under this Agreement.

**13. Indemnity.**

13.1 The Parties agree that unless otherwise specifically set forth in this Agreement, the following constitute the sole indemnification obligations between and among the Parties:

A. Each Party (the Indemnifying Party) agrees to release, indemnify, defend and hold harmless the other Party and each of its officers, directors, employees and agents (each, an Indemnitee) from and against and in respect of any loss, debt, liability, damage, obligation, claim, demand, judgment or settlement of any nature or kind, known or unknown, liquidated or unliquidated including, but not limited to, reasonable costs and expenses (including attorneys' fees), whether suffered, made, instituted, or asserted by any Person or entity, for invasion of privacy, bodily injury or death of any Person or Persons, or for loss, damage to, or destruction of tangible property, whether or not owned by others, resulting from the Indemnifying Party's breach of or failure to perform under this Agreement, regardless of the form of action, whether in contract, warranty, strict liability, or tort including (without limitation) negligence of any kind.

B. In the case of claims or losses alleged or incurred by an End User Customer of either Party arising out of or in connection with Services provided to the End User Customer by the Party, the Party whose End User Customer alleged or incurred such claims or loss (the Indemnifying Party) shall defend and indemnify the other Party and each of its officers, directors, employees and agents (each, an Indemnified Party) against any and all such claims or loss by the Indemnifying Party's End User Customers regardless of whether the underlying Service was provided or was provisioned by the Indemnified Party, unless the loss was caused by the gross negligence or willful misconduct of the Indemnified Party. The obligation to indemnify with respect to claims of the Indemnifying Party's End User Customers shall not extend to any claims for physical bodily injury or death of any Person or persons, or for loss, damage to, or destruction of tangible property, whether or not owned by others, alleged to have resulted directly from the negligence or intentional conduct of the employees, contractors, agents, or other representatives of the Indemnified Party.

13.2 The indemnification provided herein is conditioned upon the following:

A. The Indemnified Party will promptly notify the Indemnifying Party of any action taken against the Indemnified Party relating to the indemnification. Failure to so notify the Indemnifying Party will not relieve the Indemnifying Party of any liability that the Indemnifying Party might have, except to the extent that such failure prejudices the Indemnifying Party's ability to defend such claim.

B. If the Indemnifying Party wishes to defend against such action, it will give written notice to the Indemnified Party of acceptance of the defense of such action. In such event, the Indemnifying Party has sole authority to defend any such action, including the selection of legal counsel, and the Indemnified Party may engage separate legal counsel only at its sole cost and expense. In the event that the Indemnifying Party does not accept the defense of the action, the Indemnified Party has the

right to employ counsel for such defense at the expense of the Indemnifying Party. Each Party agrees to cooperate with the other Party in the defense of any such action and the relevant records of each Party will be available to the other Party with respect to any such defense.

C. In no event will the Indemnifying Party settle or consent to any judgment for relief other than monetary damages pertaining to any such action without the prior written consent of the Indemnified Party. In the event that the Indemnified Party withholds consent, the Indemnified Party may, at its cost, take over such defense; provided that, in such event, the Indemnifying Party shall not be responsible for, nor shall it be obligated to indemnify the relevant Indemnified Party against, any cost or liability in excess of such refused compromise or settlement.

**14. Limited Warranties.**

14.1 Each Party will provide suitably qualified personnel to perform its obligations under this Agreement and provide all Services hereunder in a good and workmanlike manner and in material conformance with all Applicable Laws and regulations.

14.2 EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, CENTURYLINK SPECIFICALLY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY SERVICE PROVIDED HEREUNDER. CENTURYLINK SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR TITLE OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

**15. Relationship.** Except to the limited extent expressly provided in this Agreement, neither Party has the authority to bind the other by contract or otherwise or make any representations or guarantees on behalf of the other or otherwise act on the other's behalf. The relationship arising from this Agreement does not constitute an agency, joint venture, partnership, employee relationship or franchise. CenturyLink is acting as an independent contractor and will have exclusive control of the manner and means of performing its obligations. Notwithstanding anything herein to the contrary, CenturyLink reserves the right, in its sole discretion, to modify or change the name of the Services.

**16. Assignment.**

16.1 CLEC may not assign this Agreement or any rights or obligations hereunder without the prior written consent of CenturyLink, which consent will not be unreasonably withheld. Notwithstanding the foregoing and subject to prior credit review, submission of appropriate legal documentation (including, but not limited to, any appropriate Secretary of State or other filings or documents specified by CenturyLink) and approval by CenturyLink of CLEC's proposed assignee, CLEC may assign this Agreement without prior written consent of CenturyLink to any Affiliate, successor through merger, or acquirer of substantially all of its assets; and CenturyLink may assign this Agreement without prior written consent to any Affiliate, successor through merger, or acquirer of substantially all of its business assets; provided that in all cases the assignee of CLEC or CenturyLink, as applicable, acknowledge in writing its assumption of the obligations of the assignor hereunder. Any attempted assignment in violation hereof is of no force or effect and is void. Without limiting the generality of the foregoing, this Agreement will be binding as to the Parties' respective successors and assigns.

16.2 In the event that CenturyLink transfers to any unaffiliated party exchanges, including End User Customers that CLEC serves in whole or in part through Services provided by CenturyLink under this Agreement, CenturyLink will ensure that the transferee serves as a

successor to and fully performs all of CenturyLink's responsibilities and obligations under this Agreement for a period of ninety (90) Days from the effective date of such transfer or until such later time as the FCC may direct pursuant to the FCC's then applicable statutory authority to impose such responsibilities either as a condition of the transfer or under such other state statutory authority as may give it such power. Such remedies are not the exclusive remedies for a breach of the confidentiality provisions of this Agreement, but are in addition to all other remedies available at law or in equity.

19.7 Nothing herein should be construed as limiting either Party's rights with respect to its own Confidential Information or its obligations with respect to the other Party's Confidential Information under Section 22.2 of the Act.

20. Waiver. Except as otherwise provided herein, neither Party's failure to enforce any right or remedy available to it under this Agreement will be construed as a waiver of such right or a waiver of any other provision hereunder.

21. Regulatory Approval. Each Party reserves its rights with respect to whether this Agreement is subject to Sections 251 and 252 of the Act. In the event the FCC, a state commission or any other governmental authority or agency rejects or modifies any material provision in this Agreement, whether by direct action or by virtue of generic proceedings, including without limitation, any pricing terms, either Party may immediately upon written notice to the other Party terminate this Agreement in whole or in part, including without limitation, with respect to Service in any state. In the event a Party exercises its right to terminate pursuant to this Section 21, the other Party agrees to consent to any regulatory approvals necessary to disconnect any circuits provided pursuant to this Agreement and further agrees to provide any required notice to affected customers within five (5) business days of such notice. If a Party is required by a lawful, binding order to file this Agreement or a provision thereof with the FCC or state regulatory authorities for approval or regulatory review, the filing Party shall provide written notice to the other Party of the existence of such lawful, binding order so that the other Party may seek an injunction or other relief from such order. Any action will be brought in the United States District Court for the District of Colorado if it has subject matter jurisdiction over the action, and shall otherwise be brought in the Denver District Court for the State of Colorado. The Parties agree that such courts have personal jurisdiction over them.

- 1.2.2** The following CLSP Service types will be combined with 2-wire loops: CLSP Business; CLSP Centrex (including Centrex 21); Centrex Plus; Centron in Minnesota only; CLSP ISDN BRI; CLSP PAL; CLSP PBX Analog non-DID and 1-Way DID Trunks; and CLSP Residential.
- 1.2.3** CLSP PBX Analog 2-Way DID Trunks will be combined with 4 wire loops.
- 1.3 Local Switching.** The Local Switching Network Element (“Local Switching”) is collectively the Line Side and Trunk Side facilities in the local serving CenturyLink end office Switch which provides the basic switching function, the port, plus the features, functions, and capabilities of the switch including all compatible, available, and loaded vertical features (e.g., anonymous call rejection) that are loaded in that switch. Vertical features are software attributes on end office Switches and are listed on the CenturyLink wholesale website. CenturyLink signaling is provided with Local Switching solely as described in Section 1.4.2 of this Attachment. The following Local Switching ports are available with CLSP Service: Analog Line Ports, Digital Line Ports Supporting Basic Rate Interface-Integrated Services Digital Network (“BRI ISDN”), and Analog Trunk Ports.
- 1.3.1 Analog Line Port.** Line Port attributes include: telephone number; dial tone; signaling (Loop or ground start); on/off hook detection; audible and power ringing; Automatic Message Accounting (AMA Recording); and blocking options.
- 1.3.2 Digital Line Port Supporting BRI ISDN.** BRI ISDN is a digital architecture that provides integrated voice and data capability (2 wire). A BRI ISDN Port is a Digital 2B+D (2 Bearer Channels for voice or data and 1 Delta Channel for signaling and D Channel Packet) Line Side Switch connection with BRI ISDN voice and data basic elements. For flexibility and customization, optional features can be added. BRI ISDN Port does not offer B Channel Packet service capabilities. The serving arrangement conforms to the internationally developed, published, and recognized standards generated by International Telegraph and Telephone Union (formerly CCITT).
- 1.3.3 Analog Trunk Port.** DS0 analog trunk Ports can be configured as DID, DOD, and two-way.
- 1.3.3.1** Analog trunk Ports provide a 2-Way Analog Trunk with DID, E&M Signaling and 2-Wire or 4-Wire connections. This Trunk Side connection inherently includes hunting within the trunk group.
- 1.3.3.2** All trunks are designed as 4-Wire leaving the Central Office. For 2-Wire service, the trunks are converted at the End User Customer’s location.

## CENTURYLINK™ LOCAL SERVICES PLATFORM (“CLSP™”) AGREEMENT ATTACHMENT 2 – CLSP™ Service Description

1.3.3.3. Two-way analog DID trunks are capable of initiating out going calls, and may be equipped with either rotary or touch-tone (DTMF) for this purpose. When the trunk is equipped with DID call transfer feature, both the trunk and telephone instruments must be equipped with DTMF.

1.3.3.4 Two-way analog DID trunks require E&M signaling. CenturyLink will use Type I and II E&M signaling to provide these trunks to the PBX. Type II E&M signaling from CenturyLink to the PBX will be handled as a special assembly request on an Individual Case Basis.

1.3.4 Usage. Local Switching Usage is billed on a Minute of Use (“MOU” basis as described within this Attachment. Rates for “Local Switch Usage” or “Local Switch MOUs” are provided in the CLSP Rate Sheet.

### 1.4 Vertical Features and Ancillary Functions and Services.

1.4.1 CLSP Service includes nondiscriminatory access to all vertical features that are loaded in the Local serving CenturyLink end office switch.

1.4.2 Local Switching includes use of CenturyLink's signaling network (ISUP call set-up) solely for Local Traffic. “Local Traffic” and “Local Calls” means calls that originate and terminate within the Local Calling Area as defined in the CenturyLink Tariff. CenturyLink will provide service control points in the same manner, and via the same signaling links, as CenturyLink uses such service control points and signaling links to provide service to its End User Customers served by that switch. CenturyLink's call related databases include the Line Information Database (LIDB), Internetwork Calling Name Database (ICNAM), 8XX Database for toll free calling, AIN Databases, and Local Number Portability Database. CLEC will not have access to CenturyLink's AIN-based services that qualify for proprietary treatment, except as expressly provided for in the Agreement or this Attachment. Local Switching does not include use of CenturyLink's signaling network for Toll Traffic. “Toll Traffic” and “Toll Calls” means intra local access and transport area (“LATA”) or interLATA calls that originate and terminate outside of the Local Calling Area as defined in the CenturyLink Tariff. For all Toll Traffic originated by or terminated to CLEC's CLSP End User Customer, CenturyLink may bill applicable Tariff charges, including SS7 message charges [ISDN User Part (ISUP) and Transaction Capabilities Application Part (TCAP)], to the Interexchange Carrier (IXC) or other wholesale SS7 provider.

1.4.3 ICNAM and LIDB. CLEC will have non-discriminatory access to CenturyLink's LIDB database and ICNAM database as part of the delivery of CLSP Service.

1.4.4 The LIDB database contains the following data: various telephone line numbers and special billing number (SBN) data; originating line (calling number); billing number and terminating line (called number) information; calling card validation; fraud prevention; Billing or service restrictions; sub-account information to be included on the call's Billing record; and calling card, billed to third number, and collect call information used in processing Alternately Billed Services (ABS).

1.4.5 The ICNAM database is used with certain end office Switch features to provide the calling party's name to

CLEC's End User Customer with the applicable feature capability. The ICNAM database contains current listed name data by working telephone number served or administered by CenturyLink, including listed name data provided by other Telecommunications Carriers participating in CenturyLink's calling name delivery service arrangement.

1.4.6 CenturyLink will provide the listed name of the calling party that relates to the calling telephone number (when the information is actually available in CenturyLink's database and the delivery is not blocked or otherwise limited by the calling party or other appropriate request).

1.4.7 For CLEC's CLSP End User Customers, CenturyLink will load and update CLEC's CLSP End User Customers' name information into the LIDB and ICNAM databases from CLEC's completed service orders. CLEC is responsible for the accuracy of its End User Customers' information.

1.4.8 CenturyLink will exercise reasonable efforts to provide accurate and complete LIDB and ICNAM information. The information is provided on an as-is basis with all faults. CenturyLink does not warrant or guarantee the correctness or the completeness of such information; however, CenturyLink will access the same database for CLEC's CLSP End User Customers as CenturyLink accesses for its own End User Customers. CenturyLink will not be liable for system outage or inaccessibility or for losses arising from the authorized use of the data by CLEC.

1.4.9 CenturyLink will not charge CLEC for the storage of CLEC's CLSP End User Customers' information in the LIDB or ICNAM databases.

### 1.5 Shared Transport and Toll.

1.5.1 **Shared Transport.** The Shared Transport Network Element (“Shared Transport”) provides the collective interoffice transmission facilities shared by various Carriers (including CenturyLink) between end-office switches and between end-office switches and local tandem switches within the Local Calling Area. Shared Transport uses the existing routing tables resident in CenturyLink switches to carry the End User Customer's originating and terminating local/extended area service interoffice Local traffic on the CenturyLink interoffice message trunk network. CLEC traffic will be carried on the same transmission facilities between end-office switches, between end-office switches and tandem switches and between tandem switches on the same network facilities that CenturyLink uses for its own traffic. Shared Transport does not include use of tandem switches or transport between tandem switches and end-office switches for Local Calls that originate from end users served by non-CenturyLink Telecommunications Carriers (“Carrier(s)”) which terminate to CLSP End Users.

1.5.2 Originating Toll Calls from, and terminating Toll Calls to, CLSP End Users will be delivered to/from the designated IXCs from the CenturyLink end-office switches and access tandems. The Parties understand and agree that the Services include tandem switching, where required, as well as end office switching and that CLEC has the right to charge switched access to IXCs for each element, as appropriate.

**2.2** **Loop Start (“LPS”) to Ground Start (“GST”) and GST to LST Changes (“LPS/GST Change”)** are available with CLSP Services. POTS Services (e.g., a CLSP Centrex 21 line) can functionally and operationally be provisioned as either LPS or GST. Unless specifically requested otherwise,

**CENTURYLINK™ LOCAL SERVICES PLATFORM (“CLSP™”) AGREEMENT  
ATTACHMENT 2 – CLSP™ Service Description**

- CenturyLink provisions POTS Services as LPS. GST is generally provisioned for Private Branch Exchange (“PBX”) type services. LPS/GST Changes allow the CLEC to request a facility served by LPS to be changed to GST or vice versa. Additional information and ordering requirements are detailed on the CenturyLink Wholesale website.
- 2.2.1 The Subsequent Order Charge provided in the CLSP Rate Sheet and the CenturyLink retail Tariff nonrecurring charge (“NRC”) for LPS/GST Changes, less an 18% wholesale discount, will be added to service orders requesting LPS/GST Changes.
- 2.3 **Daily Usage Feed (DUF).** CenturyLink will provide to CLEC certain originating and terminating call records (“usage information”) generated by CLEC’s CLSP end user via a DUF.
- 2.3.1 CenturyLink will provide to CLEC Local Call usage information within CenturyLink’s control with respect to calls originated by or terminated to CLEC CLSP End User Customers in the form of the actual information that is comparable to the information CenturyLink uses to bill its own End User Customers.
- 2.3.2 CenturyLink will provide to CLEC usage information necessary for CLEC to bill for interLATA and intraLATA exchange access to the IXC (excluding intraLATA usage information if CenturyLink LPIC 5123 is selected as the intraLATA Toll provider) in the form of either the actual usage or a negotiated or approved surrogate for this information, as such billing is described and allowed under section 3.7 of this Attachment. These exchange access records will be provided as Category 11 EMI records via the DUF.
- 2.3.3 CenturyLink will provide DUF records for the following: all usage occurrences billable to CLEC’s CLSP lines, including Busy Line Verify (BLV), Busy Line Interrupt (BLI); originating local usage; usage sensitive CLASS features; and CenturyLink-provided intraLATA toll.
- 2.3.4 Local Call usage records will be provided as Category 01 or Category 10 EMI records via the DUF. Terminating Local Call usage records are not collected or available and will not be provided.
- 2.4 Feature and interLATA or intraLATA PIC changes or additions for CLSP, will be processed concurrently with the CLSP order as specified by CLEC.
- 2.5 Access to 911/E911 emergency Services for CLEC’s End User Customers will be available in accordance with CLEC’s ICAs. If CenturyLink is no longer obligated to provide access to 911/E911 emergency services in accordance with 47 U.S.C. §251, CenturyLink will then provide such services under the Agreement with respect to all CLEC CLSP Service End User Customers and new CLSP Service End User Customers, to the same degree and extent that 911/E911 emergency services were provided by CenturyLink prior to the elimination of 911/E911 emergency services as an obligation under 47 U.S.C. §251.
- 2.6 CenturyLink AIN and VMS are offered on a commercial basis and may be purchased with CLSP at the rates set forth in the attached Rate Sheet. Retail promotions may not be combined with CLSP.
- 2.7 If CenturyLink develops and deploys new local switch features for its End User Customers, those switch features will be available with CLSP Service in the same areas and subject to the same limitations. The rates that CenturyLink charges for such new local switch features will not in any case be higher than the retail rate CenturyLink charges for such features.
- 2.8 Nothing in the Agreement alters or affects CLEC’s right to receive any applicable universal service subsidy or other similar payments.
- 2.9 CenturyLink Operator Services and Directory Assistance Services are provided under the terms and conditions of CLEC’s ICAs.
- 3.0 **Rates and Charges.**
- 3.1 The recurring (“MRC”) and NRC rates for CLSP Services and all associated CLSP applicable usage-based rates and miscellaneous charges are set forth or incorporated by reference into the attached CLSP Rate Sheets. Rates for CLSP Services are in addition to the applicable rates for elements and Services provided under CLEC’s ICAs. Applicable intercarrier compensation rates and charges (such as access charges, reciprocal compensation, and other charges for elements and services) are applicable and are provided under a separate Agreement or Tariff.
- 3.2 **CLSP rates Effective Date through Term.** Starting on the Effective Date of the Agreement, rates for the Service will be those provided or referenced in the attached Rate Sheet. The MRCs for the switch port will be adjusted annually, effective January 1 of each year through the term of the Agreement. CLEC is eligible for and will receive discounts on the Basic Plan switch port MRCs if it meets the volume plans described below. Discounts are not cumulative and CenturyLink will apply the highest discount rate for which CLEC qualifies. Basic Plan MRCs will apply if CLEC does not qualify for any discount.
- 3.2.1 **90% YOY Volume Retention Plan:** If the number of CLEC’s CLSP total lines as of October 31 of each year equals or exceeds 90% of the sum of CLEC’s CLSP total lines as of October 31 of the preceding year, CLEC will qualify for a 10% discount off of the Business Port and a 2% discount off of the Residential Port MRCs applicable during the next calendar year.
- 3.2.2 **115% YOY Volume Growth Plan:** If the number of CLEC’s total CLSP lines as of October 31 of each year equals or exceeds 110% of the sum of CLEC’s total CLSP lines as of October 31 of the preceding year, and the YOY line increase is equal to or greater than one thousand (1,000) CLSP lines, CLEC will qualify for a 30% discount off the Business Port MRCs and a 6% discount off the Residential Port MRCs applicable during the next calendar year.
- 3.3 For purposes of counting CLEC’s total CLSP lines in section 3.2 as of October 31 of each year, CenturyLink will include all CLSP lines, if any, from the previous year. For example, to determine 2015 CLSP rates, CenturyLink will use the total number of CLEC’s CLSP lines as of October 31, 2013 compared to CLEC’s total number of CLSP lines as of October 31, 2014 in order to calculate CLEC’s discount eligibility on January 1, 2015. Each adjustment will be

effective on each January 1 during the term of the Agreement.

3.4 Except as otherwise provided herein, the Loop element combined with a CLSP Service will be provided in accordance with CLEC's ICAs with CenturyLink at the rates set forth in those ICAs.

3.4.1 **Loops provided under the Agreement.** Upon thirty (30) Days notice via the standard commercial notification process, CenturyLink may change monthly recurring charges for the Omaha, Nebraska Loop elements provided under the Agreement.

3.5 CLEC will be responsible for billing its CLSP End User Customers for all Miscellaneous Charges and surcharges required of CLEC by statute, regulation or as otherwise required.

3.6 CLEC will pay CenturyLink the PIC change charge associated with CLEC End User Customer changes of interLATA or intraLATA Carriers. Any change in CLEC's End User Customers' interLATA or intraLATA Carrier must be requested by CLEC on behalf of its End User Customer.

3.7 **Intercarrier Compensation.** Except as specifically described in this Section, the Agreement does not change or amend applicable intercarrier compensation arrangements (including but not limited to Switched Access, Signaling, or Transit charges) between any parties, including between CenturyLink and Carriers or IXCs.

3.7.1 **Switched Access.** For CLSP End User Customer(s), CenturyLink will not charge to or collect from the IXC usage based end office and loop Switched Access charges (such as Switched Access Local Switching, End Office Shared Port, Tandem Transmission and Carrier Common Line) for InterLATA or IntraLATA Toll Calls originating or terminating from that CLSP End User Customer's line to an IXC.

3.7.2 **Signaling.** CenturyLink retains its rights to charge IXCs for signaling usage (ISUP Signal Formulation, ISUP Signal Transport, and ISUP Signal Switching, as well as LIDB, ICNAM and 8XX) associated with interLATA and intraLATA Toll Calls originated by or terminated to a CLSP End User under the applicable Tariff.

3.7.3 **Transit.** For any call originated by an end user served by a Carrier that routes through CenturyLink's network and which terminates to a CLSP End User, CenturyLink retains its rights to bill the originating Carrier Transit charges for that call under the originating Carrier's Agreement.

3.7.4 **Other.** CenturyLink retains its rights to bill IXCs or other Carriers, as applicable, any and all other access charges and assessments not expressly addressed in this section, including but not limited to flat rate transport charges, in accordance with the applicable Tariff

3.8 **Local Switching Usage and Shared Transport Minute of Use (MOU)** This section describes the use of the CenturyLink network for different call types originated by or terminated to CLSP End Users. This section does not affect CenturyLink's rights to charge IXCs for signaling as described in Section 1.4.2 of this Attachment.

3.8.1 **Originating IntraOffice Local Calls** - This originating Local Call requires switching by the local serving CenturyLink end office Switch only. When this call type is originated by a CLSP End User, Local Switch Usage charges provided in the CLSP Rate Sheet will apply. For these call types that also terminate to an end user served by a Carrier, CenturyLink may pay that Carrier certain terminating compensation charges under terms and conditions of a separate ICA.

3.8.2 **Originating InterOffice Local Calls.** This originating Local Call requires switching by the local serving CenturyLink end office and other interoffice switching for Local traffic. When this call type is originated by a CLSP end user, Local Switch Usage per MOU and Shared Transport per MOU charges provided in the Rate Sheet will apply. For these call types that also terminate to an end user served by a non-CenturyLink Carrier, CenturyLink may pay that Carrier certain terminating compensation charges under terms and conditions of a separate ICA

3.8.3 **Originating IXC Toll Calls.** This originating Toll Call requires switching by the local serving CenturyLink end office. If the CLSP End User's selected IXC does not have direct trunking to the local serving CenturyLink end office, Shared Transport is required to deliver that call to the Access Tandem for delivery to the IXC. When this call type is originated by a CLSP end user, Local Switch Usage provided in the CLSP Rate Sheet applies. Additionally, if Shared Transport is necessary to deliver the call to the Access Tandem, Shared Transport Usage charges provided in the CLSP Rate Sheet will apply. The Parties understand and agree that the Services include tandem switching, where required, as well as end office switching and that CLEC has the right to charge switched access to IXCs for each element, as appropriate.

3.8.4 **Terminating IntraOffice and InterOffice Local Calls.** This terminating Local Call requires switching by the local serving CenturyLink end office and in certain instances other interoffice switching within the Local Calling area. When a call is terminated to a CLSP end user, no charges will apply under CLSP. For these call types that originate from an end user served by a Carrier, CenturyLink retains its rights to bill that Carrier certain Transit charges as described in Section 3.7 above.

3.8.5 **Terminating IXC Toll Calls.** This terminating Toll Call always requires switching by the local serving CenturyLink end office. If the originating caller's IXC does not have direct trunking to the CLSP end user's local serving CenturyLink end office switch, Shared Transport is required to terminate the call to the receiving CLSP end user. When this call type is terminated to a CLSP end user, Local Switch Usage charges provided in the Rate Sheet will apply. Additionally, if Shared Transport is necessary to deliver the call to the CLSP end user from the access tandem, Shared Transport Usage charges provided in the Rate Sheet will apply. The Parties understand and agree that the Services include tandem switching, where required, as well as end office switching and that CLEC has the right to charge switched access to IXCs for each element, as appropriate.

3.8.6 **Originating Toll Calls when QC is the IntraLATA Toll provider.** See Section 1.5.4 above.

3.9 CenturyLink will have a reasonable amount of time to implement system or other changes necessary to bill CLEC

CenturyLink will use the state installation nonrecurring charge contained in the Agreement for that order type in calculating the credit.
- 7.2.2 Out of Service Cleared within 24 Hours. For each out-of-service condition that CenturyLink, through its own fault, fails to resolve within 24 hours, CenturyLink will provide a service credit equal to one day's recurring charge (monthly recurring charge divided by 30) for each day out of service beyond the first 24 hours. (For example, if the out-of-service condition exists for 25 to 47 hours, CLEC will be entitled to a credit equal to the monthly recurring charge divided by 30. If the out-of-service condition existed for 48 to 71 hours, the credit would equal two times the monthly recurring charge divided by 30).
