My name is Steve Thomas and I was having a problem with CenturyLink. They had a line running across my property where I wanted to build. I sent in a formal complaint to you as I did not feel that \$10,000 was a fair cost to move the line. I was contacted by CenturyLink on 3/28/2017 by Matt Ivester who informed me that CenturyLink would be willing to split the cost of the move. I feel this is a fair solution. I no longer need to pursue this through your department. Please close the case# 17-04904.

Thanks for your help on this matter.

Steve Thomas
