**Re: Docket No. 17-049-13**

Dear Mr. Widerburg:

On October 12, 2017 CenturyLink filed with the Utah Public Service Commission (PSC), the interconnection agreement between CenturyLink and Cascade Access.<sup>1</sup> On October 18, 2017, Cascade Access sent a letter to the PSC with additional information. In this letter, CenturyLink is also providing additional information to the PSC to hopefully assist the PSC in its consideration of this agreement.

Attachment A, provides information related to the interconnection agreement and why CenturyLink believes it is required, pursuant to federal requirements, to file this interconnection agreement with the PSC given the unique circumstances regarding this agreement.

Sincerely,

A handwritten signature in blue ink that reads "James B. Farr".
