Re: Utah Docket No. 17-049-T01, TARIFF: Qwest Corporation (Qwest)
d/b/a CenturyLink QC filing to remove Uniform Service Order Codes and
Field Identifier Codes.

ISSUE:

Qwest submitted a filing dated March 29, 2017 to update its Tariff by removing Uniform Service Order Codes and Field Identifier Codes. These codes are being removed as part of the consolidation and alignment of CenturyLink's billing system.

RECOMMENDATION: Approve tariff filing.

The DPU reviewed this filing and has no objection to the tariff changes since no rates, terms or conditions will be impacted by the removal of these codes and they do not affect basic rates, and therefore, this change does not require a rate hearing.

The Division therefore recommends that this filing become effective May 1, 2017 as requested.
