Designation)

**PETITION TO RELINQUISH ITS COMPETITIVE ELIGIBLE
TELECOMMUNICATIONS CARRIER DESIGNATION**

Beehive Telephone Company, Inc. (“Beehive Telecom” or “CLEC”), filed and received in Docket 06-051-01 a Certificate of Public Convenience and Necessity (“CPCN”) as a Competitive Local Exchange Carrier (“CLEC”). Beehive Telecom is a subsidiary of Beehive Telephone Company, Inc. (“Beehive Telephone” or “ILEC”). Beehive Telecom has not operated or functioned as a business or as a CLEC since receiving its certification in the Docket. The current management of Beehive Telephone does not plan to operate Beehive Telecom and requests that the Certification be cancelled.

In support of the Petition to Relinquish or Cancel the CLEC certification, Beehive Telecom states as follows:

1. The Company has never operated or provided any services in Utah or anywhere else.
2. Beehive Telecom has no customers and has never provided any telecommunication services.
3. Communication has been made with the North American Number Plan Administrator that Beehive Telecom is going to request from the Utah Public Service Commission to cancel its CLEC certification. No telephone numbers have ever been assigned to the Company.
4. Beehive Telecom has no arrangements or agreements with any other company.
5. Beehive Telecom has no assets or liabilities.

Therefore, for the above items, Beehive Telecom requests that its certification as a CLEC in the state of Utah be cancelled.

CONCLUSION

Beehive Telecom respectfully requests that the Commission issue an order granting relinquishment or cancellation of Beehive Telecom's designation as a CLEC.

Respectfully submitted,
