Re: *Docket Name: Notice by Global Connection Inc. of America dba STAND UP WIRELESS Re Changes to its Lifeline Plan Offering; Docket No. 17-2432-02*

Dear Ms. Kirby,

The Public Service Commission of Utah (“PSC”) reviewed the December 14, 2017 filing by Global Connection Inc. of America, dba STAND UP WIRELESS (“Global Connection”), of an update to its lifeline service offering. The PSC also reviewed the December 21, 2017 action request response filed by the Division of Public Utilities (“DPU”). The DPU states Global Connection’s filing fulfills the notification requirement for changes to Global Connection’s Lifeline service offering.¹ The DPU concludes there is no reason to deny the changes and recommends the PSC acknowledge the changes.

Based on the PSC’s review of the filing and the DPU’s response, the PSC acknowledges receiving the notice of changes to Global Connection’s Lifeline service offering as described in its December 14, 2017 filing, allowing the effective date to be December 1, 2017, as indicated in the filing.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
