RE: TDS Metrocom LLC
        Request to Cancel Certificate issued in Docket 14-2571-01

Dear Sir/Madam:

TDS Metrocom LLC holds a certificate to provide telephone service in Utah (Docket No. 14-2571-01). The company offers telephone service in Utah solely via VoIP technology and has no plans to provide service other than through VoIP. Since the Commission does not presently require VoIP carriers to be certified, TDS Metrocom LLC respectfully asks that its certificate be canceled.

If you have any questions regarding this request, please contact Gail Long at 541-516-8210 or gail.long@tdstelecom.com.

Sincerely,

Joel P. Dohmeier
Vice-President
