Re: Docket No. 18-041-02, *2019 Utah Universal Service Fund Recommendation for Citizens Telecommunications Company of Utah dba Frontier Communications of Utah*

Dear Ms. Zink,

On October 4, 2018, the Division of Public Utilities (“DPU”) filed a recommendation concerning whether adjustments to Citizens Telecommunications Company of Utah’s (“Citizens Telecom”) Utah Universal Service Fund (“UUSF”) eligibility are necessary. The DPU correctly notes Citizens Telecom is not presently receiving UUSF payments. The DPU recommends the Public Service Commission (“PSC”) take no action and represents that, based on its 2017 Annual Report, Citizens Telecom does not qualify for UUSF payments in the 2019 calendar year.

On October 12, 2018, the PSC issued a Scheduling Order, allowing interested parties to file comments on the DPU’s recommendation. The PSC received no comments from Citizens Telecom or any other party with respect to the DPU’s recommendation for Citizens Telecom.

Having reviewed the DPU’s recommendation and there being no opposition, the PSC will take no further action in this docket.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
