Re: *Application of Sprint Communications Company, L.P. for Informal Adjudication of Indirect Transfer of Control*, Docket No. 18-094-02

Dear Ms. Bertelsen,

On August 23, 2018, the Public Service Commission (“PSC”) issued a letter (“Acknowledgment Letter”) acknowledging the filing of Sprint Communications Company L.P.’s (“Sprint”) Application for Approval to Transfer Indirect Control (“Application”) in the above referenced docket. The Acknowledgment Letter explained:

No party has identified a statutory or other legal requirement for the PSC to approve this transaction. The PSC acknowledges the filing of the Application and gives notice it will take no further action in this docket unless a party files a request for the PSC to do so and explains the jurisdictional basis on which the PSC may or should act.

On October 9, 2018, Sprint filed its Request to Close the Docket, noting “[a]s of this date, no party has filed a request for the [PSC] to take further action in this docket.”

Given Sprint’s request to close the docket and there having been no opposition to the Application or other request made for the PSC to take action in this docket, the docket is closed.

Sincerely,

/s/ Gary L. Widerburg
