Re: i-wireless, LLC Notice of Lifeline Rate Changes

Dear Sir/Madam:

i-wireless, LLC (“i-wireless”) hereby provides notice of changes to its Lifeline offering in accordance with changes in the Federal Communications Commission’s minimum service standards effective December 1, 2019.¹

As summarized in Attachment A attached hereto, existing i-wireless Lifeline customers that do not have a Smartphone remain on their existing Voice bundle plan with no change in benefits or net cost. Existing i-wireless Lifeline customers that *do* have a Smartphone have moved to the updated LEGACY bundle plan. New customers enrolling December 1, 2019 and after will receive the UT USF Broadband bundle plan which provides 750 voice minutes, unlimited text messages, and 3 gigabytes (GB) of data each month, at a net cost of \$0.00 after application of federal Lifeline and UT USF support.

If you have any questions regarding this filing, please do not hesitate to contact me at 770-232-9200 or info@telecomcounsel.com.

Respectfully submitted,

s/ Heather Kirby
