Re: *Petition of i-wireless, LLC to Amend its Designation as an Eligible Telecommunications Carrier in the State of Utah to Participate in the Utah Universal Service Fund;*
Docket No. 18-2526-01

Dear Ms. Kirby,

The Public Service Commission of Utah (“PSC”) reviewed the April 9, 2019 filing by i-wireless, LLC (“i-wireless”), notifying the PSC of changes to its Lifeline service offering in the State of Utah. The filing was made pursuant to the PSC’s March 18, 2019 Order Approving Stipulation and Settlement Agreement in this docket.

The PSC also reviewed the April 23, 2019 action request response filed by the Division of Public Utilities (“DPU”). The DPU concludes i-wireless’s Lifeline plan satisfies Federal Communications Commission and PSC requirements. The DPU recommends the PSC acknowledge receipt of i-wireless’s notification of changes to its Lifeline offerings.

Having reviewed the filing and the DPU’s recommendations, the PSC acknowledges receipt of i-wireless’s April 9, 2019 filing.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
