Re: **Docket No. 18-2610-01:** Pricing Update Compliance Filing in the Petition of Viasat Carrier Services, Inc. for Designation as an Eligible Telecommunications Carrier to Receive Connect America Fund Phase II Auction (Auction 903) Support for Voice and Broadband Services.

Recommendation (Acknowledge)

The Division of Public Utilities ("Division") has reviewed the notification of the Pricing Update Compliance filing from Viasat Carrier Services, Inc. ("Viasat" or "Company") and recommend that Public Service Commission ("Commission") acknowledge this pricing update and compliance filing.

Discussion

On or about April 02, 2025, Viasat filed with the Commission its notice of a pricing update. Along with the notice the Company filed a copy of the fact sheet that reflects the new pricing changes. Viasat states that it will provide this information to prospective customers and existing customers upon request. It will also publish the fact sheet on its website.

The Division has reviewed the notice filed by Viasat and concludes that it is in compliance with the Stipulation and Settlement Agreement issued on February 13, 2019, and recommends the Commission acknowledge this notice.
