Re: Docket No. 18-2610-01- *Petition of Viasat Carrier Services, Inc. for Designation as an Eligible Telecommunications Carrier to Receive Connect America Fund Phase II Auction (Auction 903) Support for Voice and Broadband Services*

Dear Mr. Donahue,

The Public Service Commission (PSC) reviewed Viasat Carrier Services, Inc.'s ("Viasat") Pricing Update Compliance Filing filed on April 2, 2025 ("Filing"), in accordance with the PSC's Order Approving Stipulation and Settlement Agreement issued February 13, 2019, in this same docket ("Order"). Viasat indicates that the Filing includes a copy of Viasat's updated fact sheet for its CAF II services, reflecting recent changes in pricing.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on May 1, 2025. DPU states that Viasat's updated fact sheet will be provided to prospective and existing customers upon request and will also be published on Viasat's website. DPU concludes that Viasat has complied with the Stipulation and Settlement Agreement issued on February 13, 2019, and recommends the PSC acknowledge the Filing.

Based on the PSC's review of the Filing, DPU's comments and recommendations, the PSC acknowledges that the Filing complies with the Order.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
