Ms. Beck,

My name is Rick Fullam and I am a long term resident of Castle Valley Utah who has gone to battle against Frontier many times in the past. I would like you to know that I am happy to see that this company is finally being investigated and would like to offer you my help in your efforts to bring this company to justice. In the past I've done a lot of research on this company, filed several complaints and attempted to help our community's mayors in getting proper and responsible service.

There is a lot to cover and I would prefer to address it by phone with you than to try and correspond at length. My phone number is 435-259-5175 should you like to speak with me regarding this matter.

Sincerely,

Rick Fullam
