Re: *Gunnison Telephone Company's Proposed Tariff Revisions*; Docket No. 19-043-T01,
Advice Letter No. 19-043-T01

Dear Mr. Holstun,

The Public Service Commission ("PSC") has reviewed Gunnison Telephone Company's ("Gunnison") proposed revisions to Sheet No. 95.6 of its Access Services, Gunnison Telephone Company, P.S.C. Utah No. 2 Tariff ("Tariff"), transmitted with Advice Letter No. 19-043-T01 on May 28, 2019, and amended on May 29, 2019. Gunnison proposes to modify the intrastate access rate to be consistent with the requirements in FCC Part 51 Rules 51.907 through 919. Gunnison requests an effective date of July 2, 2019. The PSC also reviewed the comments of the Division of Public Utilities ("DPU") filed on June 3, 2019. The DPU supports Gunnison's proposed modification and recommends the PSC approve the revised tariff.

Based on our review of Gunnison's filing and the DPU's comments and recommendation, the PSC approves Gunnison's proposed revisions to its Tariff as filed, with an effective date of July 2, 2019.¹

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary

DW#308633

¹ Going forward, the PSC reminds Gunnison of the requirements to: (1) file clean and redline versions of the proposed tariff sheet as required by Utah Admin. Code R746-405-2(D)(6)); and (2) provide a statement that the proposed tariff sheet does not constitute a violation of state law or PSC rule per Utah Admin. Code R746-405-2(D)(3)(g)).
