Re: Utah Docket No. 19-050-T01, TARIFF: Navajo Communications Company, Inc. of Utah d/b/a Frontier Navajo Communications Company - filing Tariff Revisions to Introduce Frontier Digital Phone Unlimited (Challenger) and Frontier Digital Phone Unlimited Plus (Challenger) Residential Bundled Services.

ISSUE:

Navajo submitted a filing dated February 14, 2019 to introduce a new bundled service package available to residential customers. It includes Local Exchange Network Access and Unlimited Extended Area Service, with an optional added features package for an additional charge.

RECOMMENDATION: Approve tariff filing.

The DPU has reviewed this filing and has no objection to Navajo introducing this New Residential Bundled Service package to their existing tariff. The Division therefore recommends this filing become effective on or before March 17, 2019, as requested.
