Re: Beehive Telephone Company, Inc.-UT Access Tariff – Advice No. 19-051-T01

Dear Ms. Paschal:

The purpose of this compliance filing on behalf of Beehive Telephone Company-UT is to reflect the FCC Part 51 Rules 51.907 through 919 concerning the eighth phase of modifying the intrastate access rates. This tariff filing establishes the eighth phase of modifying the intrastate access rates to parity with interstate access rates. In accordance with the FCC directive, terminating switched access rates are revised to be at parity with, or less than, NECA's interstate switched access rates effective July 2, 2019.

The proposed tariff sheets do not constitute a violation of state law or PSC rule per Utah Admin. Code R746-405-2(D)(3)(g)).
