The purpose of this filing is to clean up outdated tariff sheets, add new service offerings, and delete services where there are no customers. A narrative is included which describes what is proposed for each tariff sheet. The changes are also in compliance with Utah Code Section 54-7-12, section (7) for telephone cooperatives. The proposed rates for the new service offerings are similar to those approved for other telephone companies. The Company's proposed filing is made in good faith and is believed to be consistent with applicable statutes, rules, and orders.

The Certificate of Service and red-line are also included.

We request that this proposed filing become effective May 14, 2019.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with other Tariff sections.
