Re: **Docket No. 19-2180-T01**, All West Communications, Inc's Proposed Tariff
Revisions

Recommendation (Approve Tariff Sheets)

The Division of Public Utilities (Division) recommends that the Public Service Commission (Commission) approve the revised Tariff sheet of All West Communications, Inc. (All West). The filing complies with the changes implemented by the 2016 FCC Lifeline Modernization Order.

Issue

On October 30, 2019, All West filed its 2nd revision to tariff sheet No. 61, canceling the 1st revised sheet. On October 31, 2019, the Commission issued an Action Request to the Division requesting the Division to review the application for compliance. The Commission asked the Division to report back by November 15, 2019. This memorandum represents the Division's response to the Commission's Action Request.

Discussion

The Division has reviewed the proposed changes to the lifeline support for qualifying low-income subscribers and finds no issues with the revisions.

Conclusion

Based on the Division's review, the Division recommends the Commission approve All West's proposed revisions with an effective date of December 1st, 2019.
