3.2 Residential Service<sup>1</sup>

(N)

- A. Application of Residence Service: Residential service is defined as service that is furnished (1) in private homes or apartments, including all parts of the subscriber's domestic establishment, for domestic use and not for substantial occupational use; (2) in college fraternity or sorority houses, college dormitories, convents and monasteries for domestic rather than occupational use in residential quarters; (3) used for purposes of study by a clergyman located in a church, synagogue, mosque or other religious institution. The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications. This service is for voice use by residential customers. The Company reserves the right to adjust a customer's service upon appropriate customer notification. If it is determined that non-voice usage applications (including, but not limited to, dial-up internet service or facsimile service) exceed reasonable limits, the Company may use its discretion either to disconnect the customer's residential service upon appropriate customer notification or to charge a \$50 monthly recurring data/internet usage charge in addition to all charges set forth in customer's residential service.
- B. Rates and Charges: Usage charges are based on local usage. Chargeable time for the customer shall begin when the called party answers and shall end upon disconnection by either party. Local calls are billed on a per minute basis unless otherwise indicated. Calls are rounded to the next higher full minute. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.
- C. All residential service set forth in this Section of this tariff is presently only available to those customers who presently have service on lines with Qwest or another carrier who provisions service either via resale of Qwest services or via UNE-Platform service provided by Qwest.
- D. Line Connection Fee: Applies on a per line basis when a customer requests a new line of service or when a customer moves to a new location.
- E. Service Order Charge: Applies to changes made to an account after the point of sale.

<sup>1</sup> Effective October 1, 2019, the Company will no longer offer local exchange service to new residential customers as described in this section (Section 3.2, Residential Service). Also effective October 1, 2019, existing residential customers currently subscribed to any of the Company local exchange service offerings described in this section (Section 3.2, Residential Service) will no longer be able to move, add to, or change the service to which they are subscribed.
