Re: *Direct Communications Cedar Valley, LLC's Proposed Tariff Revisions;*  
Docket No. 19-2419-T01

Dear Mr. Rutkowski,

The Public Service Commission (PSC) has reviewed Direct Communications Cedar Valley, LLC's ("Direct") proposed revisions to Sheet No. 75 of its P.S.C. Utah No. 1 Tariff ("Tariff"), transmitted on October 28, 2019. Direct proposes revisions to incorporate the changes implemented by the 2016 FCC Lifeline Modernization Order. Direct requests an effective date of December 1, 2019. The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on November 12, 2019. The DPU has no objections with the proposed revisions and recommends the PSC approve Direct's proposed revisions to the Tariff.

Based on its review of Direct's filing and the DPU's comments and recommendation, the PSC approves Direct's proposed revisions to its Tariff as filed, with an effective date of December 1, 2019.<sup>1</sup>

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary

<sup>1</sup> Going forward, the PSC reminds Direct of the requirement to provide a statement that the proposed tariff sheet does not constitute a violation of state law or PSC rule per Utah Admin. Code R746-405-2(D)(3)(g). We conclude, without prejudice to dissimilar conclusions in future filings, that in this instance this deficiency is not material enough to be a basis to suspend or deny the tariff.
