**STIPULATION AND SETTLEMENT AGREEMENT**

COMES NOW Global Connection Inc. of America d/b/a STAND UP WIRELESS (“Stand Up Wireless” or “Company”), the Utah Division of Public Utilities ("DPU"), and the Utah Office of Consumer Services ("OCS") (collectively the "Stipulating Parties" or the "Parties"), through their undersigned representatives, enter into this Stipulation and Settlement Agreement ("Stipulation") regarding the Petition filed by Stand Up Wireless in this docket. The Parties submit this Stipulation for approval by the Public Service Commission of Utah (the "Commission" or the "PSC") pursuant to the Commission's Rules of Practice and Procedure, Utah Admin. Code R746-1.

**INTRODUCTION**

1. Stand Up Wireless was designated as an Eligible Telecommunications Carrier ("ETC") in Utah in Docket No. 13-2432-01 on March 13, 2014 and has retained its ETC status in Utah.
2. On April 23, 2019, Stand Up Wireless filed a Petition to amend its designation as an ETC to include authorization to receive Utah Universal Service Fund (“Utah USF”) support for its Lifeline service offerings in order to provide enhanced Lifeline service to qualifying low income customers (the “UUSF Petition”), throughout its existing ETC designated service area as well as the additional areas requested in the UUSF Petition.
3. A scheduling conference was held on May 9, 2019 and a schedule was set.

4. On June 14, 2019, Stand Up Wireless moved to modify the schedule.

5. On June 17, 2019, the Commission granted Stand Up Wireless' Motion.

6. On June 20, 2019, the Company filed Direct Testimony of Eric Schimpf on behalf of Stand Up Wireless.

7. Stand Up Wireless attests that it pays all state and local regulatory fees required by applicable laws of the State of Utah and that it complies with all applicable legal requirements governing such fees. These include payments to the Utah Universal Service Support Fund and the Utah Prepaid Wireless 911 Service Charge.

8. The Parties to this Stipulation have now reached agreement on the issues raised in this docket, as set forth herein. The Parties agree this Stipulation should have no legal effect outside of this docket.

### **AGREEMENT**

WHEREFORE, based on their review of the testimony and exhibits submitted and upon their settlement discussions, the Parties hereby stipulate and agree as follows:

1. Stand Up Wireless seeks an amendment to its ETC designation authorizing Stand Up Wireless to obtain Utah USF funds so that it may provide an enhanced Lifeline service to qualifying low-income Utah customers.

2. Stand Up Wireless seeks to expand its ETC service territory as described in section IV and Exhibits 2 and 3 of the UUSF Petition.

3. Stand Up Wireless is a wireless telecommunications provider eligible for distributions from the Utah USF for its Lifeline program.

4. Stand Up Wireless' Lifeline product offering will offer an enhanced service to Utah customers that exceeds the Federal Communications Commission's ("FCC") Lifeline requirements, which represents a benefit for those customers and is in the public interest.

5. Stand Up Wireless' Lifeline program furthers the statutory goal that basic service be available and affordable to all citizens of the state of Utah.

6. Stand Up Wireless, as a condition of receipt of Utah USF support, will offer enhanced Lifeline service to qualifying low-income Utah residents.

7. Stand Up Wireless' enhanced Lifeline program offering in Utah will offer customers the option of 800 minutes, unlimited text messages, and 2 gigabytes (GB) of data each month, at no cost after application of federal and Utah USF support. Stand Up Wireless will continue to provide a free handset device with all Lifeline plans, or a free SIM card for customers that bring their own device, as well as access to Caller ID, Call Waiting, 3-Way Calling, and Voicemail Custom Calling features at no charge. Utah Lifeline customers may still elect to subscribe to the Company's national Lifeline Voice plan offering,<sup>1</sup> which does not qualify for Utah USF support, at no net cost to the customer. Stand Up Wireless will also continue to offer additional airtime and data usage for Lifeline customers to purchase if needed (customers can purchase a Top-Up or upgrade to a discounted retail plan).

8. On and after December 1, 2019, the FCC's minimum monthly service standard will be calculated in accordance with the formula contained in the FCC's Minimum Service Standard Rule, 47 C.F.R. § 54.408(c)(2)(ii)(A)-(D), (c)(2)(iii). As of the date of changes, Stand Up Wireless will change the amount of mobile broadband data offered to its Lifeline customers to conform with the amount calculated pursuant to this rule. Stand Up Wireless will notify parties of such changes consistent with paragraph 9.F. below.

9. The Parties stipulate and agree that Stand Up Wireless shall provide its ETC Lifeline universal service offerings in Utah pursuant to this Stipulation (including attachments) throughout

---

<sup>1</sup> As of December 1, 2018, the Company's national Lifeline Voice offering consists of 1,000 voice minutes, unlimited text, and 500 megabytes (MB) of data. Stand Up Wireless will not seek Utah USF reimbursement for customers in a month where they subscribe to a plan that does not meet the requirements of Utah Admin. Code R746-8-403(2)(a)(i).

its ETC designated service area as updated by the UUSF Petition and set forth in Attachment 2 to this Stipulation. Stand Up Wireless' provision of its universal service offering as an ETC shall be governed by the following additional requirements:

- A. For customers that will experience any loss of benefits by migrating to the Utah enhanced offering (i.e. customers currently on the 1,000-minute/500 MB plan migrating to the 800-minute/2 GB plan), Stand Up Wireless will send an opt-out text message prior to plan migration informing customers about the new plan and what the customer will lose as well as what they will gain, with details on how to contact the Company if the customer prefers to remain on their existing plan. Stand Up Wireless agrees that for such customers that receive the plan migration due to lack of response to the text, the Company will send an additional text after the customer has been moved informing them of the change in plan (specifying the number of minutes and the amount of data in the old plan vs the new plan) along with details on how they can revert to their original plan.
- B. Stand Up Wireless will maintain a Utah-specific fact sheet that provides customers concise and complete information about the services they will receive. Such fact sheet is attached hereto as Attachment 1. Stand Up Wireless will provide the fact sheet to prospective new customers, each new customer at the time of enrollment, and to existing customers upon request and will make the fact sheet publicly available for download by posting it on Stand Up Wireless' website ([www.standUPwireless.com](http://www.standUPwireless.com)). Stand Up Wireless agrees to promptly update the fact sheet anytime it changes its Utah Lifeline program.
- C. Stand Up Wireless will receive \$3.50 per qualifying line per month pursuant to

Utah Admin. Code R746-8-403 and Utah Code Ann. § 54-8b-15.

- D. Stand Up Wireless will comply with all applicable state service quality and consumer protection requirements.
- E. Approval of Stand Up Wireless' UUSF Petition and ongoing receipt of Utah USF funds is conditioned upon the verified payment of all applicable state and local regulatory fees, including, but not limited to, universal service fees (subject to Utah Admin. Code R746-8-403), emergency services, and relay services.
- F. Stand Up Wireless agrees to adopt any changes to the Lifeline certification and verification process required by the FCC or by the PSC.
- G. Upon implementing any changes to its Lifeline offerings, Stand Up Wireless will timely file a notice with the Commission, DPU and OCS describing the changed plans.

### **GENERAL PROVISIONS**

1. The Parties stipulate to the admission into evidence in this docket of Stand Up Wireless' UUSF Petition, pre-filed Testimony and Exhibits. This Stipulation to the admission of the Testimony does not represent an agreement by the Parties as to any positions taken in such Testimony.
2. Not all Parties agree that each aspect of this Stipulation is warranted or supportable in isolation. Utah Code Ann. § 54-7-1 (2018) authorizes the Commission to approve a settlement so long as the settlement is just and reasonable in result. While the Parties may not be able to agree that each specific component of this Stipulation is just and reasonable in isolation, all of the Parties agree that this Stipulation as a whole is just and reasonable in result and in the public interest.
3. All negotiations related to this Stipulation are confidential, and no Party shall be

bound by any position asserted in negotiations. Except as expressly provided in this Stipulation, neither the execution of this Stipulation nor the order adopting it shall be deemed to constitute an admission or acknowledgment by any Party of the validity or invalidity of any principle; nor shall they be construed to constitute the basis of an estoppel or waiver by any Party; nor shall they be introduced or used as evidence for any other purpose in a future proceeding by any Party except in a proceeding to enforce this Stipulation.

4. The Parties agree that no part of this Stipulation or the formulae and methods used in developing the same or a Commission order approving the same shall in any manner be argued or considered as precedential in any future case except with regard to issues expressly called-out and resolved by this Stipulation. This Stipulation does not resolve and does not provide any inferences regarding, and the Parties are free to take any position with respect to, any issues not specifically called-out and settled herein.

5. The Parties request that the Commission hold a hearing on this Stipulation. The Parties will support the Commission's approval of this Stipulation. As applied to the DPU and the OCS, the explanation and support shall be consistent with their statutory authority and responsibility.

6. The Parties agree that if any person challenges the approval of this Stipulation or requests rehearing or reconsideration of any order of the Commission approving this Stipulation, each Party will use its best reasonable efforts to support the terms and conditions of this Stipulation. As applied to the DPU and the OCS, the phrase "use its best reasonable efforts" means that they shall do so in a manner consistent with their statutory authority and responsibility. In the event any person seeks judicial review of a Commission order approving this Stipulation, no Party shall take a position in that judicial review proceeding in opposition to the Stipulation.

7. Except with regard to the obligations of the Parties under the four (4) immediately

preceding paragraphs of this Stipulation, this Stipulation shall not be final and binding on the Parties until it has been approved without material change or condition by the Commission.

8. This Stipulation is an integrated whole, and any Party may withdraw from it if it is not approved without material change or condition by the Commission or if the Commission's approval is rejected or materially conditioned by a reviewing court. If the Commission rejects any part of this Stipulation or imposes any material change or condition on approval of this Stipulation or if the Commission's approval of this Stipulation is rejected or materially conditioned by a reviewing court, the Parties agree to meet and discuss the applicable Commission or court order within five (5) business days of its issuance and to attempt in good faith to determine if they are willing to modify the Stipulation consistent with the order. No Party shall withdraw from the Stipulation prior to complying with the foregoing sentence. If any Party withdraws from the Stipulation, any Party retains the right to seek additional procedures before the Commission, including presentation of testimony and cross-examination of witnesses, with respect to issues resolved by the Stipulation, and no party shall be bound or prejudiced by the terms and conditions of the Stipulation.

9. This Stipulation may be executed by individual Parties through two (2) or more separate, conformed copies, the aggregate of which will be considered as an integrated instrument.

[THE REMAINDER OF THIS PAGE IS LEFT BLANK INTENTIONALLY.]

WHEREFORE, the Parties respectfully submit this Stipulation and Settlement Agreement for approval by the Commission and request that the Commission grant such approval.
