Re: *Petition of Global Connection Inc. of America d/b/a Stand up Wireless to Amend its Designation as an Eligible Telecommunications Carrier in the State of Utah to Participate in the Utah Universal Service Fund; Docket No. 19-2432-01*

Dear Ms. Kirby,

The Public Service Commission (PSC) reviewed the October 13, 2020 filing by Stand Up Wireless (“Stand Up”) of an update to its Lifeline service offering. Stand Up has increased its broadband Lifeline offering to include 1,300 voice minutes, along with 3.0 GB of data per month, and unlimited text messages. The PSC also reviewed the November 2, 2020 action request response filed by the Division of Public Utilities (DPU). DPU confirms Stand Up’s notification complies with the notification requirements in the PSC’s October 10, 2019 Order Approving Stipulation and Settlement Agreement and recommends the PSC acknowledge Stand Up’s proposed changes to its Lifeline offering.

Based on the PSC’s review of the filing and DPU’s response, the PSC acknowledges receiving Stand Up’s notice of changes to its Lifeline service offering as described in its October 13, 2020 filing.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
