ISSUED: February 20, 2020

BACKGROUND

On December 15, 2005, in Docket No. 05-2452-01, the Public Service Commission (PSC) granted Matrix Telecom, Inc. (“Matrix”) a Certificate of Public Convenience and Necessity, authorizing the company to provide competitive local exchange services within the State of Utah. Matrix subsequently changed its name to add several d/b/a designations.

On December 30, 2019, Matrix filed a letter notifying the PSC that it had added another d/b/a, “Lingo,” such that its full name is Matrix Telecom, LLC d/b/a Matrix Business Technologies d/b/a Trinsic Communications d/b/a VarTec Telecom d/b/a Excel Telecommunications d/b/a Startec d/b/a Lingo.¹ This will not affect the terms and conditions of service to Utah customers. Matrix includes an updated price list reflecting the new business name in its notification. Matrix requests an effective date of January 5, 2020.

On December 31, 2019, the Division of Public Utilities (DPU) filed a memorandum recommending that the PSC acknowledge the request by Matrix to change its corporate name and “make the necessary changes and amendments to all the required documents.”

¹ As part of its filing, Matrix included documentation showing it has registered the business name Lingo with the Department of Commerce’s Division of Corporations & Commercial Code.

ORDER

Having reviewed the filing and the DPU's recommendation, and there being no opposition, we find Matrix's request is reasonable. Therefore the PSC acknowledges the name change to Matrix Telecom, LLC d/b/a Matrix Business Technologies d/b/a Trinsic Communications d/b/a VarTec Telecom d/b/a Excel Telecommunications d/b/a Startec d/b/a Lingo and amends the affected Certificate of Public Convenience and Necessity to reflect the new business name. The amended Certificate of Public Convenience and Necessity is attached as Exhibit A.
