**RE: Access Point, Inc.
Request for Cancellation
Docket No. 08-2488-01**

Dear Sir or Madam:

Enclosed for filing please find the original and two (2) copies of the above referenced filing submitted on behalf of Access Point, Inc. ("API" or "Company") which hereby requests cancellation of its authority to provide telecommunications services within the State of Utah.

API does not have any customers; therefore, no customer notice is required.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to Sthomas@inteserra.com. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sthomas", written over the word "Sincerely,".

ACCESS POINT, INC.

REQUEST FOR CANCELLATION

Access Point, Inc. (“API” or “Company”) hereby notifies the Commission that as of January 1, 2019, API no longer provides telecommunications services in Utah and therefore requests that the Commission cancel its Certificates of Public Convenience and Necessity (“Certificate”) effective December 31, 2018, or the earliest possible date permitted.

I. DESCRIPTION OF THE COMPANY

Access Point, Inc. is a North Carolina corporation with headquarters at 1100 Crescent Green, Suite 109, Cary, NC 27518. The Commission granted API a Certificate to provide Resold and Facilities-Based Local Exchange Services within the State of Utah in Docket No. 08-2488-01 on October 7, 2008.

As result of a transaction completed on October 1, 2018, the Company is a direct, wholly owned subsidiary of GTT Americas, LLC (“GTTA”). GTTA is a Delaware limited liability company and direct, wholly-owned subsidiary of GTT Communications, Inc. (“GTT”), a publicly-traded Delaware corporation (NYSE: GTT). Both GTTA and GTT are headquartered at 7900 Tysons One Place, Suite 1450, McLean, Virginia 22102. GTT, through its subsidiaries including GC Pivotal, LLC (“GC Pivotal”), is a global provider of cloud networking services.

GC Pivotal is a Delaware limited liability company with headquarters at 7900 Tysons One Place, Suite 1450, McLean, Virginia 22102. GC Pivotal is a direct, wholly-owned subsidiary of GTTA and an indirect, wholly-owned subsidiary of GTT. The Commission granted GC Pivotal a Certificate of Public Convenience and Necessity to provide Resold and Facilities-Based Local Exchange Services within the State of Utah in Docket No. 11-2539-01 on April 20, 2011. GC Pivotal brings together customers and suppliers in an automated platform that provides ubiquitous access network solutions. GC Pivotal provides simple, cost-effective and high-performance network solutions that support the exploding bandwidth requirements driven by Cloud, mobility and globalization. GC Pivotal delivers its solutions to telecommunication carriers, managed service providers, application service providers, and enterprise customers throughout the United States.

III. REQUEST FOR CANCELLATION

In order to provide more effective billing and customer service support to the commercial and enterprise customers that constitute API's former customer base, effective January 1, 2019, GC Pivotal became the service provider of record for the customers of API. As a result, API no longer provides telecommunications services in Utah and therefore requests that the Commission cancel its Certificate and tariff(s) effective December 31, 2018, or the earliest possible date permitted. In the event that API has a current bond or letter of credit on file with the Commission, API requests that the Commission authorize the cancellation of the bond or letter of credit and return it to the Company.

As of January 1, 2019, GC Pivotal provides telecommunications services to API's customers pursuant to GC Pivotal's Certificate under the same rates, terms and conditions as the services previously provided by API. In addition, API's customers received prior notice of the change in their provider. The change in provider, therefore, was seamless to customers and the requested cancellation is merely an administrative step. Further, the financial, technical, and managerial resources of GTT, combined with the capabilities of GC Pivotal's telecommunications network will benefit the customer base previously served by API, enhancing their billing and customer service experience and giving them access to the network solutions available from GC Pivotal.

Effective with revenues billed in January 2019, all revenues, customer lines and any associated assessments previously reported and remitted by API will be reported and remitted by GC Pivotal. Further, to the extent that API had any outstanding obligations, including deposits, to any customers, GC Pivotal is now responsible for such obligations. Since API no longer provides telecommunications services in Utah, and GC Pivotal provides telecommunications services to API's customers pursuant to the same rates, terms and conditions of service, the cancellation of API Certificate will serve the public interest. API, therefore, requests that the Commission act on this request as soon as practicable.

Respectfully Submitted,
