Re: *Citizens Telecommunications Company of Utah dba Frontier Communications of Utah's
Tariff Revisions to Grandfather Wide Area Telecommunications Service;
Docket No. 20-041-T02*

Dear Ms. Zink,

The Public Service Commission (PSC) has reviewed Citizens Telecommunications Company of Utah dba Frontier Communications of Utah's ("Frontier") proposed revisions to Schedules No. AA, A-1, A-9, B-2, and B-6 of its tariff filed on July 8, 2020. Frontier's filing proposes modifications to grandfather its Wide Area Telecommunications Service Offering and includes supporting administrative changes. Frontier requests an effective date of August 10, 2020 for these changes.

The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on July 14, 2020. DPU states it does not object to Frontier's proposed grandfathering of the service and recommends the PSC approve the requested tariff revisions.

Based on its review of Frontier's filing and DPU's comments and recommendation, and the lack of any opposition, the PSC approves Frontier's proposed revisions to its Tariff as filed, effective August 10, 2020.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
