 (UT2020-11)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Private Line Transport Services Price List, submitted with an August 24, 2020 issue date and a September 1, 2020 effective date.

This filing grandfathers certain low-bandwidth Private Line Services effective September 1, 2020. Newer technologies and services are available to customers in lieu of these technologically obsolete services. New orders and moves of existing services will be allowed to the extent permitted by existing term contracts. Existing terms will not be renewed upon expiration. Customers currently under a term commitment plan may retain their low-bandwidth services on a month-to-month basis upon expiration of their current term plan.

Respectfully submitted,

Marla Hazlett
