Re: *Beehive Telephone Company, Inc.'s Proposed Tariff Revisions*; Docket No. 20-051-T01;
Advice No. 20-051-T01

Dear Mr. Holstun,

The Public Service Commission (PSC) has reviewed Beehive Telephone Company, Inc.'s ("Beehive") proposed revisions to Revised Sheet Nos. 3, 4, 5, and 6 of its Concurrences, Access Services, Beehive Telephone Company, Inc., P.S.C. Utah No. 2 Tariff ("Tariff"), filed May 28, 2020. Beehive explains the proposed rates reflect the final step down of intrastate access rates as prescribed by FCC rules and states the rates must be in effect by July 1, 2020. The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on June 9, 2020. The DPU recommends the PSC approve Beehive's proposed revisions to its Local Transport LTR and Local Switching-LTR intrastate access rates as presented in the filing.

Based on its review of Beehive's filing and the DPU's comments and recommendation, the PSC approves Beehive's proposed revisions to its Tariff as filed, effective July 1, 2020.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
