Advice Letter No. UT-20-01

Mr. Gary Widerburg
Commission Administrator
Public Service Commission of Utah
Heber M. Wells Building
160 East 300 South,
Salt Lake City, Utah 84111

Dear Mr. Widerburg:

This filing revises the following tariff sheets for All West Communications, Inc.'s (20-2180-T01) P.S.C.U. Tariff No. 1.

<u>P.S.C.U. Sheet No.</u>	<u>Title of Sheet</u>	<u>Canceling P.S.C.U. No.</u>
12th Revised Sheet No. 208	Access Service, Switched Access Service	11th Revised Sheet No. 208

This filing is made in compliance with the Federal Communication Commission's (FCC) Title 47: Telecommunication; Part 51-Interconnection; Subpart J-Transitional Access Service Pricing; §51.909 Transition of rate-of-return carrier access charges; Step 9.

Effective July 1, 2020, All West will be exiting the NECA F.C.C Tariff No. 5 for its interstate switched access and special access rates. Instead, the company will file company specific rates developed in accordance with FCC rules, and will tariff its' interstate switched and special rates in the Moss Adams F.C.C. Tariff No. 1. All West uses tariff reference to effectuate mirroring of its terminating intrastate switched access rates to its interstate rate counterpart. This filing updates the interstate tariff reference from NECA Tariff No. 5 to the Moss Adams FCC Tariff No. 1.

Transmitted herewith are word documents – one showing the changed page with revisions indicated via strikeout, and the other showing the changes as they will appear in the proposed new tariff. It is requested that this filing become effective July 1, 2020.

Other than noted above, this filing will not increase any rate or charge, cause the withdrawal of service, or conflict with other Tariff sections.
