Exchange Service and Be Designated as Carriers)
Of Last Resort in Certain Rural Exchanges)**

**JOINT STIPULATION
TO VACATE SCHEDULING ORDER AND EXTEND THE DATE FOR RESPONSIVE
PLEADINGS TO FRONTIER’S MOTION FOR PARTIAL SUMMARY JUDGMENT**

On July 28, 2020, Citizens Telecommunications Company of Utah d/b/a Frontier Communications (“Frontier”) filed a Motion to Vacate the Scheduling Order in this docket pending the Utah Public Service Commission’s (“Commission”) determination of Frontier’s Motion for Summary Judgment. On July 29, 2020, E Fiber Moab, LLC (“E Fiber Moab”) and E Fiber San Juan, LLC (“E Fiber San Juan”) (E Fiber Moab and E Fiber San Juan collectively the “Applicants”) filed a response indicating they were not opposed to suspending the Scheduling Order pending Commission determination of the Motion for Summary Judgment provided that the due date for non-applicant testimony be rescheduled for one week after the Commission’s Order on the Motion for Summary Judgment is issued. On July 30, 2020, the Office of Consumer Services (the “OCS”) filed a Reply in support of the Motion to Vacate and in opposition to the Applicants’ response. The Applicants have conferred with Frontier, the OCS, and the Division of Public Utilities, and all parties agree as follows:

Applicants will withdraw their response to the Motion to Vacate and will support the Motion as presented. All parties agree that the deadline for responding to Frontier's Motion for Partial Summary Judgment will be extended to August 25, 2020.

The Parties respectfully request that the Commission approve the Stipulation and order the Scheduling Order Vacated and the responses to the Motion for Partial Summary Judgment be due August 25, 2020. The Parties request that the Commission consider this Stipulation on an expedited basis. Due to time constraints, the undersigned has been authorized to make these representations on behalf of the Parties, without the requirement that each party sign the Stipulation.

Respectfully submitted this 30th day of July, 2020.
