DOCKET NO. 20-2618-01
AMENDED NOTICE OF HEARING ON FRONTIER'S MOTION FOR PARTIAL SUMMARY JUDGMENT

ISSUED: October 2, 2020

Pursuant to Utah Code Ann. § 52-4-207, on this October 2, 2020, the chair of the PSC makes this written determination that, due to the COVID-19 pandemic and the continued risks of transmission in Utah, the hearing on Frontier's Motion for Partial Summary Judgment scheduled for **Tuesday, October 13, 2020, beginning at 9:00 a.m.** will be conducted as an electronic meeting without an anchor location. An anchor location would provide a substantial risk to the health and safety of those who may be present at the anchor location. Participants should use the following bridge number: 720-279-0026 or 877-820-7831 and the following passcode: 249364. All parties must have their witnesses in attendance and prepared to testify.

This hearing will be conducted as an electronic meeting telephonically, with audio only. While video technology is readily available, the PSC's primary objective is developing an evidentiary record on which to base its decisions. Video technology provides some advantages for a hearing, but also presents additional challenges including generally lower quality audio, higher risk of internet interruptions or other technological complications, and increased potential for a hearing to be compromised by someone with malicious intent. Many participants in PSC hearings have years of experience with audio-only telephonic testimony, and the PSC intends to continue using that technology platform for hearings.
