Petition of Uintah Basin Electronic Telecommunications, L.L.C. for Designation as an Eligible Telecommunications Carrier in the State of Utah for the Purpose of Offering Lifeline Service on a Wireless Basis

DOCKET NO. 20-2620-01
ORDER GRANTING MOTION, AMENDED SCHEDULING ORDER, AND AMENDED NOTICE OF TELEPHONIC HEARING

ISSUED: September 11, 2020

On June 18, 2020, the Public Service Commission (PSC) issued a Scheduling Order and Notice of Hearing (“Scheduling Order”) in this docket. On September 10, 2020, the Division of Public Utilities (DPU) filed a Stipulated Settlement Agreement and Motion to Amend Schedule (“Motion”). The DPU, the Office of Consumer Services (OCS), and Uintah Basin Electronic Telecommunications, L.L.C. (UBET) (collectively, the “Parties”) are all signatories to the Stipulation and Settlement Agreement attached to the Motion. Because the Parties have reached a settlement agreement, they are requesting the remaining schedule in this docket be vacated and an amended hearing date of September 22, 2020 be set.

The DPU represents it has communicated with the OCS and UBET and that the DPU is authorized to represent the Parties support the Motion. The DPU further states it is not aware of any opposition to the Motion. Good cause appearing, and based on the DPU’s representation that the OCS and UBET support the Motion, the Motion is granted and all remaining deadlines in the Scheduling Order are vacated. The schedule is amended as follows:

AMENDED SCHEDULE

ITEM	DEADLINE/DATE/TIME/LOCATION
Telephonic hearing	Tuesday, September 22, 2020, beginning at 9:00 a.m. Participants should use the following bridge number: 720-279-0026 or 877-820-7831 and the following passcode: 249364.

AMENDED NOTICE OF TELEPHONIC HEARING

Pursuant to Utah Code Ann. § 52-4-207, on this September 11, 2020, the chair of the PSC makes this written determination that, due to the COVID-19 pandemic and the continued risks of transmission in Utah, the hearing scheduled for **Tuesday, September 22, 2020, beginning at 9:00 a.m.** will be conducted as an electronic meeting without an anchor location. An anchor location would provide a substantial risk to the health and safety of those who may be present at the anchor location. Participants should use the following bridge number: 720-279-0026 or 877-820-7831 and the following passcode: 249364. All parties must have their witnesses in attendance and prepared to testify.

This hearing will be conducted as an electronic meeting telephonically, with audio only. While video technology is readily available, the PSC's primary objective is developing an evidentiary record on which to base its decisions. Video technology provides some advantages for a hearing, but also presents additional challenges including generally lower quality audio, higher risk of internet interruptions or other technological complications, and increased potential for a hearing to be compromised by someone with malicious intent.
