Re: **Docket No. 21-054-02**, Interconnection Agreement between Union Telephone Company, Inc., and AT&T Mobility.

Recommendation (Acknowledge)

The Division of Public Utilities (“Division”) recommends that the Public Service Commission (“Commission”) acknowledge the receipt of this Interconnection Agreement.

Explanation

On or about November 23, 2021, Union Telephone Company, Inc. filed the Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on November 15, 2021, with AT&T Mobility.

The Division has reviewed the above-mentioned Agreement between Union Telephone Company, Inc. and AT&T Mobility and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated,

dismissed, stayed, or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.
