16. AT&T BUSINESS LONG DISTANCE

16.1 DESCRIPTION

AT&T Business Long Distance is a business voice service that permits Customer-dialed long distance calling from stations within a state, without requiring a pricing contract.

AT&T Business Long Distance is an add-on to the Interstate AT&T Business Long Distance and is only available to Customers who subscribe to the interstate service provided in the Interstate Business Service Guide. All terms and conditions, including service establishment charges, features and functions, discounts, monthly charges, and any charges other than intrastate usage charges are described in the Interstate Business Service Guide.

Customers may have long distance outbound, inbound, or both coverage on each line. This service permits Customer-dialed outward calling from a landline phone in the state to any telephone number within the state. Also, this service permits inward calling within the state, provided the calls terminate to a landline phone number within the state.

There are no early termination fees.

16.2 RATES AND CHARGES

For rates and charges, refer to the state specific Price List.
