Mr. Gary L. Widerburg, Commission Administrator
The Public Service Commission of Utah
Heber Wells Building 4th Floor

Dear Mr. Widerburg:

Enclosed with this electronic filing to psc@utah.gov is the proposed tariff sheet for All West Communications, Inc.'s (21-2180-T01) filed with the Division of Public Utilities for the Access Tariff on file as Utah P.S.C. No. 1.

Revised Tariff Sheet

1st Revised Sheet No. 44, 87
13th Revised Sheet No. 208

Canceling Tariff Sheet

Original Sheet No. 44, 87
12th Revised Sheet No. 208

This filing is made in compliance with the Federal Communication Commission's (FCC) Order 20-143; Part 51 – Interconnection; Subpart M – 8YY Transition; §51.909 Transition of rate-of-return carrier access charges; Step 2. The FCC 8YY Order establishes separate rate elements for interstate and intrastate toll free originating end office access service and non-toll free originating end office access service. Intrastate toll free originating end office access service rates shall be in parity with its interstate toll free originating end office access service rates. Currently, All West Communications, Inc.'s intrastate originating end office access service rates are less than interstate rates. Therefore, no rate changes are proposed to end office rates.

Also, in accordance with the FCC's 8YY Order, this filing modifies and prohibits the application of originating Tandem Switched Transport rates on toll free access minutes. Since All West Communications, Inc. is not an access tandem provider, it is not able to bill transport for originating toll free minutes pursuant to the FCC 8YY Order.

Transmitted herewith are PDF documents – one showing the changed pages with revisions indicated via strikeout, and the other showing the changes as they will appear in the proposed new tariff. It is requested that this filing become effective July 1, 2021.

Please send us an approved copy.
