Dear Mr. Widerburg:

Enclosed with this electronic filing to psc@utah.gov is the proposed tariff sheet for Direct Communications Cedar Valley, LLC (21-2419-T02) filed with the Division of Public Utilities for the Local Tariff on file as Utah PUC No. 1.

Revised Tariff Sheet
5th Revised Sheet No. 75

Canceling Tariff Sheet
4th Revised Sheet No. 75

On November 5, 2021, the Federal Communications Commission (FCC) issued an order (DA 21-1389) pausing the elimination of the federal Lifeline benefit for standalone voice service for one year. As a result, Lifeline customers subscribed only to voice service or voice with a non-qualifying broadband service will continue to receive the federal Lifeline benefit. Therefore, Direct Communications Cedar Valley, LLC submits this filing to remove the \$0.00 Lifeline rate from the Lifeline Rates table and the associated footnote.

Transmitted herewith are searchable Adobe Acrobat pdfs – one showing the changed page with revisions indicated via strikethrough, and the other showing the changes as they will appear in the proposed new tariff. We respectfully request that the proposed changes become effective December 1, 2021, per FCC order.
