Re: **Docket No(s). 21-2524-02 & 21-2545-02**, In the Matter of the **SUPPLEMENT** to the Application for Approval of Planned Intermediate Change of Control of BCM One, Inc., Wholesale Carrier Services, Inc. and BCM One Group Holdings, Inc.

Recommendation (Acknowledge)

The Division of Public Utilities (“Division”) has reviewed the supplemental notification of the transfer of intermediate control and restructuring of BCM One, Inc. (“BCM One”), Wholesale Carrier Services, Inc. (“WCS”), and BCM One Group Holdings, Inc. (“BCM One Group Holdings”) (together “Applicants”). The Applicants filed a clarification to its original notification explaining in better detail the restructuring of the organization. The Division recommends the Public Service Commission (“Commission”) acknowledge this supplemental notice along with the original filing by the Applicants.

Discussion

On or about November 8, 2021, BCM One, WCS, and BCM One Group Holdings filed a supplemental notification to its original filing on October 13, 2021.

The Applicants filed the supplemental notice to give better detail of the restructuring of the organization. The Applicants explain that the purpose of the supplement notification is “to ensure the record is accurate as to the factual statements related to the transaction, although the information provided in this supplement does not affect the structure of the transaction or who controls the certificated entities.”

Conclusion

The Division has reviewed the supplemental information filed by the Applicants and finds that the information given will not change the original recommendation it gave to the Commission on November 02, 2021, which was to acknowledge the notice.
