Re: Case 18-02642 - Petition of ExteNet Asset Entity, LLC and ExteNet Systems, Inc. for
Approval for Assignee to Acquire the Customers and Certain Assets of Assignor.

Dear Ms. Wood and Ms. Wang,

I am writing in regard to the joint petition, filed on November 4, 2018, requesting approval to transfer customer contracts and other assets from ExteNet Systems, Inc. to ExteNet Asset Entity, LLC as well as certain financing arrangements.

According to PSL Sections 99 and 100, an application is deemed approved within 90 days unless the Commission or its designee notifies the petitioner(s) in writing that the public interest requires the Commission's review and its written order.

The Department has reviewed the joint petition and, based on representations therein, finds that the proposed transaction does not require the Commission's action. Therefore, PSL Sections 99 and 100 approvals are deemed granted by operation of law, effective February 2, 2019.

Within 60 days of the consummation of the transaction, the following items are required to be filed with the Department:

- a letter notifying the Department that the transaction is consummated;

Ms. Wood and Ms. Wang

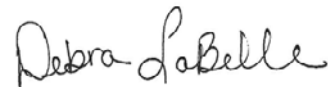

- an updated Telecommunications Carrier Critical Information (TCCI) form reflecting any changes due to the transaction.

Additionally, to maintain an active telecommunications company status, the company is required to submit the TCCI form annually. The TCCI form is available for electronic filing at the following link on the Department's website:

<http://www3.dps.ny.gov/T/Telco.nsf/TCCIForm?OpenForm>.

Please contact David Kitchen at david.kitchen@dps.ny.gov or 518-486-2819 with any questions you may have regarding this letter.

Sincerely,

A handwritten signature in cursive script that reads "Debra LaBelle".

Debra LaBelle
Director
Office of Telecommunications
